Chitwood stated that the world's largest problem is lostness and that there are over 3,000 Southern Baptist missionaries serving around the world and are made possible by churches giving to the Cooperative Program. David Edmonds, UISBC IMB trustee, also reported in person on the IMB and related the Utah Idaho ministry and missions context to that of many lost areas around the world. Edmonds reported that the IMB has received the largest Lottie Moon offering in its history and assured the churches that 100% of the Lottie dollars go the IMB mission field to support missionaries taking the Gospel to the nations. Edmonds reported that in 2023, the IMB sent over 300 missionaries. Edmonds briefly reported on the history of the IMB and thanked the churches for their faithful giving and the sending of missionaries. MacAvoy stated that there is currently no giving mechanism to replenish the scholarship fund. The application process has been refined to maximize current available funds, and ensure the funds are used effectively, and that any applicants who reapply provide a statement on the effectiveness of their education as a result of receiving the Higher Education Fund scholarship.

Budget & Finance Committee – Scott Plath reported for the Budget and Finance Committee. Plath directed messengers to the Book of Reports for the balance sheets and emphasized that the state staff is maximizing funds even though giving is slightly down. Plath explained that the state convention is due for a financial audit, and that a new auditor will be hired. Plath also highlighted an increased Executive Board budget amount due to increase in travel expenses and the implementation of MinistrySafe for Executive Board members. The 2025 budget passed, and no motion was needed.

Administrative Committee – Matt McGukin reported for the Administrative Committee. McGukin directed messengers to the Book of Reports to review the newly implemented Abuse Prevention Policy & Procedures. McGukin highlighted certain aspects of the policy that the Executive Board passed at the September 2024 meeting and has since implemented. The Abuse Prevention Policy & Procedures primarily affects the state staff and the Executive Board but is

also implemented to serve the churches by way of a new crisis response team in order to assist a church if they encounter a case of sexual abuse. The staff and the Executive Board of the UISBC highly encourages the local churches to educate themselves and equip themselves to prevent and respond to sexual abuse. The committee desires that the messengers affirm the Executive Board action in these newly implemented sexual abuse prevention policies.

Isaiah del Pilar, messenger from Canyons Church, SLC, asked Matt McGukin about the legal obligations to report a previously known case of abuse that was not necessarily directly connected to the local church, but still involved individuals from the local church. Brian Davis, UISBC legal advisor, stated that there are still legal obligations to report.

The messengers of the 2024 UISBC Annual Meeting voted to affirm the newly implemented Abuse Prevention Policy & Procedures.

was answered that it does not need a vote and will be referred. This motion was referred to the Executive Board for further discussion. EXECUTIVE BOARD MEETINGS MINUTES

SEPTEMBER 2025

EXECUTIVE BOARD MINUTES
October 25, 2024

The Executive Board met over lunch during the Annual Meeting. There was no business to address. They used the time to introduce new board members and enjoy a time of fellowship.

Executive Board Minutes
May 10, 2025
CityLight Church, Salt Lake City, Utah

The Executive Board of the Utah-Idaho Southern Baptist Convention met via hybrid in-person and Zoom-based format on May 10, 2025.

Call to Order/Devotional: Matthew Claridge called the meeting to order at 9:00 am. Matt brought 1 Samuel 30:1-6. Devotional, Christians in leadership, David found strength in the Lord his God. Out of the fire into the frying pan. Finding ruin when returning home. When we can't lament, we turn it off to someone one else. They pushed it onto David. David was in a difficult position. David's stress was where do I stand. David was to blame for this, and he was not to blame for this. He tried to strike a balance . Is he going to suffer for his people. He took the hit. We ourselves have been in position like this. Sometimes we bear some responsibility but not all of it. We are responsible for leading the church, but some circumstances become very hard, if we let these responsibilities stress us, we can be burned out. We are to strengthen ourselves in the Lord. A man after God's own heart. Three classics: prayer, petition, praise in confession, (God is greater than his problems and his fears, Psalms 32). Praise and confession restored David's strength and a right frame of mind and heart for what he needs to do next. Only after he strengthened himself in the Lord, does he then inquire of the Lord. The order is important. When David gets around to the petition part of his prayer, that is, asking for God's insight and intervention in his particular circumstances, it is filtered through his prior soul-work of praise and confession. He enters into that petition with a renewed sense of who God is, and where he stands before God. David approaches the situations that arise with great wisdom and tact. David's strength and identity is rooted in what he's received from the Lord, and therefore he can be generous with others. Our leadership may be questioned, because of the responsibility we have as a board, we are to seek God for strength and wisdom.

Prayer: Matt leads us in prayer

Roll Call: Matthew Claridge called the roll; the following were present: Tyler Baker, Matthew Claridge, Mike Eaves, Eddie Hancock, Clint Henry, Wendy Hoshizaki, Josh MacAvoy, Janet Molina, Timothy O'Day, Scott Plath, Jeremy Scott, Anders Snyder, Allen Featherstone, and Paul Campbell.
Communication from Board Members: Matthew Claridge
Dave Carver, Roger Naylor, Aaron Scott, Charles Petty, and Carl Wimmer announced their absence in advance. Laurie Pless was ill. A motion was made by Scott Plath and seconded by Anders Snyder to approve these absences. The Board unanimously approved these absences as excused. Scott Maxwell resigned from the board due to health concerns.

**Minutes corrected September 6, 2025*

Recognition Of Guests: no guests present

Approval of Minutes from last Board Meeting: Page 3-5, September 7, 2024, Matthew Claridge asked for a motion to receive the minutes. Motion was made by Janet Molina and seconded by Timothy O'Day. The minutes were unanimously approved by the board.

Financial Reports: Rob Lee reviewed income and expenses January to December 2024 page (3-39), Rob stated that we ended 2024 CP with $736,330.45 compared to$702,974.06 at the end of 2023, 6.1% below budget. The State Missions Offering received was $79,644.10 in the previous year, $75,919.03. The giving trended up last year. We started 2025 above budget in monthly giving to CP in January and just below budget in February. February was our strongest February in the past fifteen years. March ended below budget.

Our church members continue to face challenges of inflation, fuel, groceries, housing costs, and market concerns over tariffs. Still in discussions with several pastors, the big issue impacting CP giving is the national SBC issues.

Page (3-40), We are below budget for the first quarter of the year. CP gave $184,192.09, 8.7% below budget. Our giving is also below last year's first quarter by $21,649.18. Still $18,160 above 2023. SMO, we have received $14,864.46, below the $294.14 given last year in the first quarter. Rob's estimate for the first four months, 1/3 of 2025, giving through CP $233,810.52, below budget $34,076.16, -12.7% & SMO $20,380.72.

UISBC staff provides excellent stewardship of our funds. However, it is harder now that everything is so much more expensive. The cost of hotels, car rentals, and airline tickets have increased impacting our travel expenses. We ended 2024 expenses $6,796.82 below receipts. With our GuideStone investments growing $74,921.54, our net increase was $68,124.72.

The biggest financial news is that Janice Trotter has announced her retirement. She has served us well since January 1, 2013, and serves Wyoming and Nevada State Conventions. She has graciously offered to assist in training her replacement. We are indebted to her services to our churches.

Page (3-26), with your CP in 2024, providing $515,431 ministry support in UISBC, $111,337 to IMB, $50,365 to NAMB, $48,952 to SBC Seminaries, and $10,205 to SBC Executive Committee. Your mission offerings provided $79,644 through SMO, $196,466 LMCO, $107,112 AAEO, and $6,100 to Global Hunger Relief. Our churches gave $1,125,656. These funds are used to proclaim the gospel as Acts 1:8 tells us to the ends of the earth. Our church members and churches are very generous! (See attached report)

Anders Snyder asked about Fillmore building. The Fillmore building was given back to UISBC and is now being rented to a non-SBC church who is hoping to purchase the building. (See pages 3-17)

U & I Together Report: Rob Lee, God is working in churches with the growing number of baptisms in Utah and Idaho. Our baptisms have been rising every year the last four years, this year we are down. This appears to be a result of not receiving as many reports as the previous year. 67% of churches completed the ACP compared to 77% in 2023. With that in mind, we have seen five years' growth in the number of folks being baptized in our churches.

College campuses are moving in sharing the gospel and students are responding. Reach Idaho event doing prayer walks in Rexburg resulted in starting a church. We still have new churches being started across our region. God is calling folks to come here to start churches, and those in our churches are being called to start additional churches. When our state convention was

starting the first two years, there was a focus by staff and others in Eastern Idaho to start a work there that ended up being our work in St. Anthony. The most unchurched county in the U.S. at .005.

We still have churches choosing to affiliate with us, despite what they may read on social media or hear in national headlines about SBC. This year, several headlines have been helpful. First, the Department of Justice's investigation into sexual abuse in the SBC closed. Only one person was accused of lying to the DOJ. The $100 million lawsuit against the SBC by former SBC president has been dismissed. There are several other cases still ongoing.

Opportunity for Kingdom work with the SBC coming in 2027.

Rob's time and thoughts have been spent on personnel over the past five months. UISBC team has been involved in serving other churches, especially those in need of pastors. There are challenges in transitions in staff, changes happen. The. Lord has opened the door to one of our own who has faithfully served for fifteen years. She has been equipped and pursued her degrees, including a master's, while serving as a ministry assistant.

At the April staff meeting, Russ Hohmann is retiring this year from Disaster Relief. We will approach this as we have in the past with preference for one of our own, faithfully serving, and with time for Russ to train them. Disaster Relief has helped in the fires in California. Pray for this transition.

Rob says we need to be aware of changing leadership coming up in our future. It important to raise future leaders for our state convention, including those who God may call to fill our seat someday. We have upcoming opportunities to prepare: SBC 2027 and Winter Olympics 2034, plus direction for the UISBC to resource our churches to continue to reach our region with the gospel. There are significant needs in our churches, associations, and state convention that need to be addressed.

Our vision is a network of UISBC churches working together under the lordship of Christ to advance the Kingdom by churches sharing Christ, churches starting churches, and churches strengthening churches.

Committee Reports

Properties & Loans: Page 3-12, 3-13, 3-14. Wendy Hoshizaki, new chair of the committee, made the report for the committee. Wendy reminded the committee of their duties to make recommendations to the EB regarding acquisition of new property, the sale of UISBC owned property, construction of new buildings, and major remodeling or repairing of existing buildings, property, and equipment. Everything is working, no business. Total Trust and Memorial account is $73,705.15. Two outstanding loans: Salmon Valley and Unity Baptist (see page 3-15 and 3-16). Both churches are on track with their payments. There is money available for grants and loans.

Program: Page 3-34 Action Item 25-001-PC. Josh MacAvoy, reported for the committee. They reviewed the application for SMO Higher Education Fund Scholarship and the response from the committee is that they love it. Committee action also taken to discuss and implement the State

Convention Abuse Policy which calls for developing a Crisis Team to assist pastors and churches dealing with abuse-related issues. The team, which will consist of five members, will consider recommendations for additional members and duties. All were in favor. The recommendation from the committee was for the executive director to ask for volunteers for roles in Communication, Pastoral Care, and Counseling, beginning with recommendations from Executive Board, and extending to SBC churches, to find those who are well-equipped and skilled in those areas. The candidates will be interviewed by the Administrative Committee to be added to the Crisis response team. Matthew Claridge called for a vote to make this team. A priority. The vote was unanimous.

Budget & Finance: Page 3–45, 3-46, 3-47. Scott Plath reported for the committee.
Action item 25-001-BF to affirm having Rocky Mountain Foundation do a Ministry Health Review or provide a full audit. A simple review $1500.00. Audit is about numbers and review is about process. Because of change-over, the committee is recommending a Ministry Health review, not a full audit to buy time in gathering information for a full audit. There is $13,000.00 in the budget for the Audit. Can be up to $30,000. Last Audit was in 2019/2020. Rob shared audit was once every five years or with a change-over. A timeline for more information about a full audit, possibly with another company, is September 2025. Matthew Claridge called for a vote that a Ministry Health review be done at this time. The vote was unanimous.
Action item 25-002-BF. Committee to consider if the state convention needs to adjust our Cooperative Program amount going nationally and what to do if there is an overage above the CP 2026 budget. The committee is not going to take action, waiting to see what happens at the national SBC convention and the report coming from UISBC staff. Fall meeting may give us a better answer. No action taken at this time. Josh asked questions. Timothy asked question.

Item Number 25-003-BF. Changes happening with Janice's retirement. Staff recommendation: the current budget for the Ministry Assistant position is $43,113, the part-time Business Services Director position is $31,250, the Janitorial services is $1,800. This comes to a total of $76,163. With a proposed $10,000 salary for the part-time Ministry Assistant position, an additional $3,837 must be found in the budget and/or designated funds. It is suggested that the extra $3,837 come from the designated gift account. The Committee Action requested: To report to the Administrative Committee that there are funds within the current budget and to use one designated account to fund both positions. Page 3-42 account 008980 gift account under Administrative Designated. Matthew Claridge called for a vote for action item 25-003-BF. It was unanimous, in favor.

Updated SMO Higher Education Fund Application was handed out for section 5.

Administrative Committee: page 3-51, 3-55, 3-56, 3–57, Matthew Claridge brought Item Number 25-001-AC. The administrative. committee moves to assign the Constitution Committee to review the motion to eliminate resolutions, to reform the credential process, and to provide the Administrative Committee with written findings, recommendations, and proposed amendments to the UISBC Constitution and Bylaws and if the Constitution Committee feels amendments are valid and necessary. Pages 3-52 - 3-54 give more information on Resolutions and Credentials Committees responsibilities. Matthew Claridge asked for a vote on Action 25–001-AC. Vote was unanimous, in favor.

Action Item 25-002-AC: The Executive Director and Business Services Director recommend hiring Sally Teny as Business Services Director, A new part-time Ministry Assistant will handle some of Sally's current assignments. Janice Trotter has offered to assist Sally in the transition. The state staff recommends assigning some of Sally's current assignments to a new part-time Ministry Assistant to be hired. Sally will continue with some of her roles so that she continues to serve full-time. The recommended salary is $70,000 (see. action item. 25–004-AC) The committee action taken will interview Sally and, if affirmed, present her to the full board for a vote with a start date of July 1. Matthew Claridge asked for a vote on action item 25-002-AC. Vote was unanimous in favor.

Action items 25-003-AC and 25-004-AC: To affirm the part-time position of Ministry Assistant at $10,000/year based on a fifteen-hour. week, including Thanksgiving and Christmas weeks off, and June and July off. To offer the new Business Services Director a salary of $70,000. Matthew Claridge asked for a vote on Action items 25-003-AC and 25-004-AC. Vote was unanimous, in favor.

Call to Order Matthew Claridge

Prayer: Matthew Claridge

Devotion: Matthew Claridge

In the study of 2 Samuel 6 there is a goldmine of lessons on Christian leadership that David can teach us. Matthew is telling the story of David's awkward attempt to welcome the Ark of the Covenant into Jerusalem. The purpose of David's actions are ones we as Christian leaders can very much relate to. Settling the ark in Jerusalem to establish a permanent home for God's presence and his ministry on earth was, at the time, similar to what we are called to do in building local churches where God can be felt in our communities through the proclamation of his word and the service of Christians to their neighbors. Planting churches, embarking on some great new ministry initiative, tallying numbers of folks baptized and tithes gathered are all great PR moments for our ministries that we hope broadcast to everyone around us. "God is at Work." All of those achievements may indeed be indications that are stirring in our midst, and we tell ourselves–I think honestly and genuinely–that everything we are attempting to do is for God's glory in the salvation of a people for his name and the expansion of his kingdom in all areas of our lives.

David could say the same thing here. David's desire to make the entrance of the Ark into Jerusalem the capstone of his recent victories and coronation tells us his head is in the right place. David is not a king cut from the mold of the pagan nations who views himself as above the Law or driven by delusions of divine grandeur. He knows who is the true and ultimate King of Israel and it's not him. Psalm 24, attributed to David himself, he commemorates this very moment as the Ark—the sign of God's covenantal presence among his people—is finally brought to rest in Jerusalem. He proclaims Psalm 24:9-10 Lift up your heads, O gates! And lift them up, O ancient doors, that the King of glory may come in. Who is this King of glory? The LORD of hosts, he is the King of glory!

David has consistently given God all the glory throughout his rise to the throne, from the moment he confronted Goliath with the words, "This day the LORD will deliver you into my hand," till the moment his path was cleared of all remaining obstacles and he could say in 2 Samuel 4 "The Lord has redeemed my life out of every adversity." There is every reason to believe, intellectually at least, that David publicly acknowledges the Lord's central role in his own life and ministry.

2 Samuel 6:5-8 seems to give us a disconnect between what David intended and what David actually communicated. It was a PR disaster. David has the Ark placed on a cart driven by beasts of burden on the way to Jerusalem, Shouts of excitement in David's triumphal parade suddenly turn into screams of horror as Uzzah is struck dead for attempting to keep the Ark from falling off the ox cart.

Both the Lord in v 7 and David in v 8 react to what's happened with anger. Why did the Lord react the way he did? The narrator expects us to be aware that David has botched the Lord's instructions for how the Ark should be transported. Deuteronomy 10:8 tells us that the Levites

must bear the Ark on their shoulders, and therefore the placing of the Ark on a cart pulled along by oxen fell short of the Lord's directions. But why would the Lord take so much offense at something that was either an honest mistake or at least a well-intentioned intervention by Uzzah? This was not the first time Israel had failed to handle the ark appropriately. The literary structure of 1-2 Samuel, David's sin against the Ark mirrors Israel's sin in mishandling the Ark back in 1 Samuel 6. This forms a pattern of willful neglect and presumption on Israel's part that God, as represented in the Ark, exists to serve them, rather than they exist to serve God. Men not animals were to carry the Ark. Oxen would communicate that the Ark is nothing more than another consumer product, a religious commodity, another piece of war booty that's transferred around for man's use. The Lord demands that the Ark be carried by men, and this communicates both our submission to his authority but also our privilege. Energy is invested, bearing the weight of God's name, holiness, and authority. This is not a task to be delegated, The Lord demands we fully be engaged and invested in bearing the name of the LORD—Loving him with all our mind, body and soul.

David was angry. He thought he was doing the right thing by recovering the Ark and putting it again at the center of Israel's life. But in his heart, as revealed by the way he was transporting the Ark, he was using the Lord as a tool, as a buttress to his political ambitions. The fact that David is so careless about how he transports the ark, especially when something like this has already happened before, demonstrates that whatever his stated intentions were, his heart isn't in the right place. At best, he envisions himself as cooperating with God; at worst, using the symbol of God's presence as a tool; instead of honoring the Lord for who he is: the true king of Israel. He planned for the Ark to just be another piece of luggage in his glory train as he rode his own thrown chariot into Jerusalem. David has taken himself too seriously; and he needs a reality check.

David's anger reveals the disconnect between his mind and his heart. What's true in David is often true in our own hearts. Anger in ministry often arises because there is a mismatch between what we think in our heads and what we actually believe or trust in our hearts. When we get angry in ministry it rarely matches the righteousness of God but instead exposes the functional idols we are bowing down to. Exposing the hard truth to David is the Lord's tough love purpose.

When the Lord puts a reality check on our ministry goals and ambitions, his purpose is to invite us through a process of renewal that begins with anger, then moves through fear, to longing and finally joy. I anger is processed right it should lead to holy fear, as David expresses in v. 9, "David was afraid of the LORD that day, and he said, "How can the ark of the LORD come to me?"" This is a healthy place for David to be in, to recognize that he is not in control, that he doesn't have God jingling in his pocket at his beck and call, that he isn't under any illusion that he can direct, guide, or set the agenda for God to move. He needs to remember he cannot put God in a box, he needs to remember that this Ark contains the power, terror, and glory of Mt. Sinai as Psalm 68, another poem celebrating the Ark's arrival in Jerusalem, "The chariots of God are twice ten thousand, thousands upon thousands; the Lord is among them; Sinai is now in the sanctuary."

We need a healthy fear of the Lord in our ministries, especially in light of the temptations and opportunities to abuse the spiritual stewardship we've been given as under-shepherds. Especially when we are tempted to cut corners. We need a healthy fear of the Lord. David's fear is not directed at his own identity or status; it is directed toward the Lord. He isn't trying to deny

the fact that he is only a jar of clay. No, he is becoming keenly aware that his jar of clay contains the precious treasure of God's name.

David places the Ark in the house of Obed-Edom, who happens to be a Gentile sojourner in the land of Israel, and a Philistine to boot from the city of Gath. There God begins to bless his house, and when David hears about it, he believes this is the sign from the Lord that he's ready to move into Jerusalem, as 2 Samuel 6:12 tells us "It was told King David, "The LORD has blessed the household of Obed-Edom & all that belongs to him, because of the ark of God." So, David went & brought up the ark of God from the house of Obed-edom to the city of David with rejoicing.

As David developed a holy fear of the Lord, now he acquires a holy jealousy for the Lord. David sees the Lord opening his hand to him again. He doesn't see God playing favorites, he sees the Lord saying, "As long as you think you can bless me, we're going to have problems, but as soon as you remember I am God your provider, that I am a generous God who pours his blessings on the wicked and the righteous alike, on the Jew and Gentile alike, then you will remember that I have more than enough for you." David's longing was to experience the Joy of the Lord again.

That's what happened in 1 Samuel 6:13-14 "And when those who bore the ark of the LORD had gone six steps he sacrificed an ox and a fattened animal. And David danced before the LORD with all his might. And Daavid was wearing a linen ephod." Uniform of a priest. That all of Israel would be a kingdom of priests that would lift high the banner of God's name for all the world to see.

The joy of David's salvation has been restored as he learns to simply enjoy the ride in God's kingdom procession. We cannot enter the kingdom any other way, and we shouldn't engage in ministry in any other way, then simply the joy of being along for the ride. David's heart has finally caught up with what he knows in his head, that he is only a child imitating a much stronger Father figure who alone is worthy to enter those Gates and climb that hill that ends at a cross, where sorrow and love will flow mingled down on the living, breathing, dying Mercy Seat. Let's stay young at heart in ministries, no matter how hard or disappointing they may be, because we have a king who has already born the hardest and greatest disappointments for you, and lift up our drooping faces, strengthen your weak knees, and lift high the banner of his cross where his weakness becomes our strength and makes us kings and priests to God on high.

Financial Report: Rob Lee

(**4-39**) We are below CP budget for the first seven months of the year; $377,758.11 below budget $92,968.58 (-19.8%). We were above the monthly budget in January. Giving is below last year's total $63,133.43 for January to July. The economy, inflation, politics, and national SBC issues are impacting church giving.

August is not closed, but Rob stated his estimate shows $421,064.51 + Stripe, 21.73% below budget, & $65,477.33 below last year's giving. 2017 was the last time at this level.

For the first seven months, $35,346.05 was given through the SMO, $1,087 less than at the same time last year. January - August, $39,814.07 + Stripe was given, $526.02 below the previous year.

Janice, Sally, and Rob have provided all the financial and policy information to the new auditor. The Minnesota/Wisconsin Convention has used them. Rob met them at the SBC Annual Meeting. In a follow-up Zoom, the three, with Christopher Miller, President, Miller Management, they could do a 2024 audit for us at a very reasonable cost. The difference is that they are not CPAs but have a CPA who reviews their work. It is basically a quarter of the cost of the other group.

An interview with them will take place Wednesday. They plan to have it done around the beginning of October and will provide a report, and question and answer time with the Budget and Finance Committee before the annual meeting. You will have copies of it before the annual meeting for your approval.

Janice has trained Sally two weeks in person and has agreed to be on speed dial for Sally. Janice gave Rob a glowing response on how Sally is doing with the new role.

Please remember to submit your expense form, signed, with your receipts, to Debbie or Sally. After you get home, you may mail, scan, or email it.

Utah/Idaho Together Report: Rob Lee

Rob stated in his report, in a recent conversation with Casey Casamento and Derek Karr of IMA (26 offices, including SLC, formerly Diversified Insurance), they shared that they are exploring the possibility of forming a National Nonprofit Insurance group for churches and ministries. Both guys have been in the business; Derek has worked for both of the leading providers for churches. Casey has been a pastor and church planter for over twenty years, until the COVID pandemic. They are first speaking with all state convention executive directors to gauge interest and gather data from churches to assess the potential for a new non-profit insurance group. The two leading insurance companies (Brotherhood and Church Mutual) are the leading providers for church insurance coverage and are dropping churches from their coverage. We have had more churches dropped by their insurance carriers in the past few years than in all my other years and our churches are looking to reduce expenses. Rob told them he would share with us to gauge potential interest. The more churches involved, the greater the potential for better prices and options. The data they need from churches: Price of their premiums for the past two years, a copy of current policies, and loss claims over the past five years. This data will help them gauge the interest. This could be an option to assist our churches in better coverage at lower premiums. Many of our churches lack coverage, and if they experience a fire or significant

damage, it could result in the church's closure. FBC Blanding, Brian and Rob helping to restart, couldn't afford a policy due to high costs. One of the other states they are talking with shared that if they have a Category 4 or 5 hurricane, they would lose 250 churches. Interest shown.

Rob shared updates on Reach Idaho, a church planting initiative with partners from multiple states, and announced upcoming events including a Serve Tour in Salt Lake City, and a Pastor's Retreat in St. George.

Rob was disappointed that SBC had to relocate in 2027. The part of the Salt Palace that is going to be remodeled turns out to have only allowed space for the general sessions and not for other meetings, exhibit space, or breakouts. I'm sad because God is doing great things in our region in reaching people with the gospel. 'The thought of fifteen hundred folks joining us in ministry and sharing the gospel could lead to thousands hearing the gospel. There will be an opportunity after 2030. Very few cities have space big enough for the SBC annual meetings now.

Staff changes have marked this summer. Janice Trotter has retired. Gary McKean has cut back significantly and was hit by a car, resulting in a hospital stay and a longer-than-planned rehab stay. Russ planned to retire as DR director at the end of the year but has pushed back to spring to give time to recruit a new DR director and train them. Sally, after a month of training with Janice, has started off as our new Business Service Director. We have not hired a new part-time Ministry Assistant yet, but instead used a volunteer, Brittany McNair, to distribute the SMO materials.

Rob has talked with several other state executive directors, gauging how they are navigating the new day of Associational and State Convention ministry. Jason and Rob have conducted more ministry in areas our Associational Missionaries previously covered, like, pastor search training, pulpit supply, Church Revitalization, and conflict resolution/management in churches. Rob does not have extra time to visit churches, just those requesting assistance. We need to utilize more of our retiring ministers, like Pastor Charles Petty, visiting pastors who need encouragement or Mike Pless sharing about CP.

Rob has been exploring the potential of finding retired Associational Missionaries and state staff who could serve as contract workers to assist our churches. The challenge is identifying the right minister and finding support to help cover expenses and a stipend. They would not be holding Associational Annual meetings or Board meetings but focus on ministry needs.

Three State Conventions have tried it but were dependent on Associations to fund half. Two state conventions did not provide funds. The third one is seeing good results.

Rob has been talking with one minister for two years. He and his wife are about ready to retire within the next year and want to move here to be by their grandchildren. They want to serve the Lord still in retirement. He has been in the new work areas of Minnesota-Wisconsin and Iowa. Rob learned of another retired from Michigan who has moved to Mesquite, willing to help.

Since our convention has reduced staff over the past fifteen years, we have not been able to service our churches as we did in the past. We have more churches in need of revitalization and replanting today than before. The Leader of Europe's Rural Engagement Network, Steve Brown, is asking for our help in reaching rural Bulgaria.

The ministry costs more and always requires people to lead. We have great volunteers who are as skilled as any full-time staff member at any state convention. Thank you for sharing your best leaders to multiply the kingdom across our region. Please help us promote the SMO,

CP, and ACP. Cooperation together means greater kingdom impact here, nationally, and around the world.

➢ Statement of Financial Position

The statement of financial position gives a financial picture of the organization as of the end of the reporting period. It reflects the assets, liabilities, and net assets of the organization.

Definition of Fund Accounting Terms

Net Assets – *Total Assets minus Total Liabilities. Net Assets fall into one of two categories:*

1. ***With Donor Restriction –*** *funds that may be spent only as restricted by the donor.*
2. ***Without Donor Restrictions –*** *funds available for general operations. These may be further separated as follows:*
    a. ***Net Investment in Fixed Assets -*** *total fixed assets minus accumulated depreciation minus any loans related to fixed assets.*
    b. ***Board Designated -*** *although not donor restricted, these amounts have been segregated by the board (or finance committee, elders, etc.) for special purposes.*
    c. ***Prior Years' Net Balance -*** *cumulative net activity (revenue minus expenses) from all prior years.*
    d. ***Current Year Net Balance -*** *current year net activity (detailed on the Statement of Activities).*

➢ Statement of Activities

The statement of activities reflects the revenues and expenses of the organization for the current period of time - typically the current month and year-to-date. It can also be used to compare actual revenues and expenses to those budgeted.

STATE MISSIONARY CONTRACT and VOLUNTEER 2025 REPORTS

Executive Director/Treasurer
Rob Lee
October 2024 – August 2025

Staff

Janice Trotter, part-time Business Services Director, announced she would retire from all three state conventions she has served. This led the Executive Director to seek the Lord's direction and communicate with the other two state convention Executive Directors on their plans to fill the role. Sally Teny, Ministry Assistant, was hired at the spring Executive Board meeting and started on July 1. In July, Janice spent two weeks training Sally for her new assignment and will continue to consult.

Mike Palmer has transitioned back under UISBC as Church Plant Network leader after finishing as a contract part-time Church Plant leader for NAMB. Gary McKean, who has served our convention as Legal and Partnership consultant since July 2007, has reduced his time due to health. Russ Hohmann announced that he plans to retire as our state convention Contract Disaster Relief Director and will assist in training his successor.

Currently serving as the interim collegiate state leader for both states, Morgan Brendle is a collegiate leader in Treasure Valley. Sally Teny will celebrate her fifteenth anniversary on August 23. Jason McNair assists churches with VBS, group ministry, technology, Church Strengthening consultations, and Church Revitalization. Mary McFarling coordinates our Women's Missions and Ministries Network.

Pastors and Wives Retreat

We held a joint retreat with the Wyoming Southern Baptist Network focused on western Wyoming and eastern Idaho at Afton, Wyoming, August 21-23. The North American Mission Board partnered to provide housing, speakers, and worship leaders. The focus was on bivocational pastors. Utah-Idaho had three of our bivocational pastors attend. We have an upcoming retreat in St. George on November 13-15.

Starting Churches: SEND Utah-Idaho, Church Planter Catalysts, and Reach Idaho

Will Galkin is the new part-time Send Salt Lake City Missionary. Michael Cooper is Lead Church Plant Catalyst (CPC) for Send Utah-Idaho and continues as Utah CPC across Utah. Richard Dugger continues to serve as the Idaho Church Planter Catalyst, with the addition of assisting all Rocky Mountain CPCs with NAMB's planter processing. Clint Henry, Central Valley Baptist Church, continues serving as our State Missions Offering-funded church-based CPC for western Idaho. Mike Palmer is working with outside partners to develop Reach Idaho, which focuses on supporting church planting work in Idaho, with plans to form a similar initiative in Utah. In April, partners from six different states assisted in prayer walking through Rexburg with the hope of beginning work there. There will be a second Reach Idaho event in September focusing on follow-up to the spring meeting in Eastern Idaho.

Sharing Christ

The Annual Church Profiles revealed that, over the past five years, our baptisms have increased. After the deadline for ACP reports, we received another report pushing us over the previous year's numbers. Reports show that, including the late report, there were 749 baptisms, with 746 reported the prior year. This year, 109 churches reported (67%), compared to 117 churches (77%) having reported last year. In March, we had Evangelism Strategy training for our churches in both states in English and Spanish. The attendance was excellent, with 49 participating in Utah and 51 in Idaho. The training helped pastors and staff go through a process to develop their strategy of reaching their communities and to develop a culture of evangelism in their churches. We continue to help with evangelism grants from the NAMB. The director continues to share pictures and videos on Facebook of multiple baptism services in our churches.

Partnership

Our partnership with the Georgia Baptists' northwest region focuses on linking our churches to their churches. An association in northern Florida partners with Caribou Bible Church of Soda Springs, along with its church plant in Grace; plus, a Boise area church plant focused on reaching the Basque people in western Idaho. Another association in Florida has begun to partner with our Reach Idaho initiative to plant churches across Idaho.

National Meetings

The director attended the Executive Director Fellowship meeting, Western Executive Director meeting with Gateway Seminary, Western States Evangelism Directors meeting, State Directors of Evangelism national meeting, and Stewardship/CP Promotion meeting. The director was disappointed that the SBC annual meeting scheduled for 2027 had to be moved due to the remodeling of the Salt Palace, the construction would have eliminated space for exhibits and other meetings. There is the possibility that, after 2030, the SBC annual meeting will return after the remodel is completed.

Budget

We ended 2024 below budget by $48,139.01 (-6.1%), better than the previous year. This year continues to be impacted by inflation, the cost of fuel, and national SBC issues. The 2024 State Missions Offering was $79,944.10, up $4,000 from the previous year. The first half of 2025 is below the CP budget by $71,598.04 (-17.7%). State Missions Offering giving for the first half of the year is $31,890, up $475 from last year.

Sexual Abuse Implementation

Our Executive Board Abuse Prevention Policy has been implemented with MinistrySafe as our processor for background checks and abuse training modules. We are forming a Crisis Care Team that will be available to assist churches dealing with abuse-related situations. The Southern Baptist Convention Executive Committee has hired Jeff Dalrymple as its director to oversee the SBC's work on sexual abuse. The Executive Director and Convention Attorney had a Zoom meeting with him in early March to discuss our work in abuse prevention and resources.

State Convention Missions Needs

Our associations are moderator-led, except for Whispering Pines which hired Marshall Hickman. This necessitates state staff assuming responsibilities that our churches previously relied on their association to handle, such as Pastor Search Committees, conflict resolution, options for churches in need of revitalization, assisting in filling pulpits, and training Transitional Pastors and Church Revitalization pastors.

State Missionary for Strengthening Churches
Jason McNair
2025 Fall Executive Board Report

Surrendered to Jesus Christ, the **UISBC Staff Members** are challenged to:

1. **Facilitate strategic relationships** between churches for the purpose of serving one another so that every church is connected to strengthen another church.
2. **Set yearly goals** that are obedient, clear, and measurable to meet the challenge of this vision.

In the months following our May board meeting, our staff sought to support churches throughout the summer months to strengthen their outreach into the community. We saw tremendous growth in the participation of Vacation Bible School, Sports Clinics, outreach events, and other activities that reach families in the communities our churches serve. It has been good to read reports of churches that have utilized North American Mission Board Evangelism grants to focus efforts on taking the gospel to the people who need to hear it and, as a result, they are seeing fruit. Several of our churches continue to see increases in baptisms as was reported in the Spring report. Some of those stories are reported in our State Missions Offering ministry insert distributed at the end of the summer directly to the churches.

Families reached during the summer months now need to be assimilated into our churches, and we want to help strengthen the ongoing discipleship ministries within our network. We are reaching out to churches that are doing discipleship well and seeking ways to partner those churches with others within their region to come alongside and encourage partnerships, like our first task listed above mandates. We have discovered that traditional methods of providing training events do not draw attention like they used to. We are seeking ways to do more effective ministry with fewer people resources, and church-to-church partnerships are a way we can facilitate effective multiplication of successful ministry methods.

We are also reaching out to our partner networks in Georgia, Florida, and other state conventions, regions, and associations, as well as national partners like Lifeway and the State Discipleship Network, to create cohort relationships that provide struggling churches with a supportive community where they can gain wisdom on effective methods for strengthening their disciple-making efforts. We hope to pilot some of these cohorts in the Fall and, if effective, more cohorts to begin in the Spring of 2026. These will be contextual to focus on meeting specific needs of our churches and may look different from church to church based on region, demographics, and areas needing the most attention.

In the area of church revitalization, we have a great need for more leaders willing to be trained, and then provide assistance, to churches that are plateaued or declining. In the past, most of our efforts focused on churches that were without pastoral leadership to insert revitalization conversations with churches, but many of our existing churches that have leadership in place also need support. We need revitalization conversations with existing pastoral leaders and encourage them to stay the course, to not give up their position, but be open to difficult conversations about

ways they are leading their churches. Most pastors want their churches to grow, but they are tired and feel alone in their efforts. We, as a state convention, can help these pastors know they are not alone and there is a network of leaders that want to join with them in their efforts to see their churches revitalized. We ask that you pray with us as we seek to build a network of effective leaders who will stand in the gap with other pastors and provide support to them as they help their church cast a new vision to impact their communities.

In the area of Next Gen ministry, this summer, we held our annual Sonfest Youth Evangelism event. The event was Friday and Saturday, August 1-2, 2025. The theme was ***70xSeven*** based on Matthew 6:14. Sam Ivy who serves as the Collegiate Ministry Director for Mississippi Baptist Convention Board, brought along one of his campus ministers. In conversation with Sam toward the end of the event, he committed to send students to Utah and Idaho for summer and semester mission endeavors. He gained an appreciation to the challenges next gen leaders within our states face in pushing back darkness spread by the predominant religion within our context. The event itself was low attended, and we will be connecting with next gen leaders within our churches to take a more hands-on approach to providing direction and leadership in the planning process for the future of this event. As a state convention staff, we will facilitate those leader meetings both online and in person and will resource them with what they need to revitalize that event to return to its former glory as the premier student event of the summer. We need to support their efforts, even if it means drastic changes to the format of that event.

If you hear of needs within our states for something related to Discipleship, Evangelism, Church Health, or Revitalization, reach out to me or one of our staff so we can follow up with these church leaders. We are better when more people are listening to the needs within our churches and helping us better connect those churches to solutions. It is a joy to serve the churches of UISBC.

College Ministries Report
Morgan Brendle
Summer 2025

What was accomplished

Summer sees students come to Utah and Idaho on mission through GenSend and other groups. GenSend continues to be a great partnership between college students from across the country and specifically the Salt Lake area. Students are discipled by local pastors as they see and work alongside them while engaging a community and culture that differs from where they are from. Through the years we have seen students come back to serve for another summer or move after graduation to live in the community they came to love during their time serving.

Not only are we receiving students but also sending students. Students served our local churches at youth camp, a group went to our neighbors in California, and another group went to serve in Mexico.

Summer also ended with Collegiate Week at Falls Creek with nine students attending between the two states. One made a public statement of being called to missions and is now beginning to explore the possibilities of where and how God is calling her to serve.

Student Story

Here are D's words to summarize her time serving in Mexico, "Lots of firsts. First time outside the states. First time in the mountainous regions of Mexico. First mission trip. My first time designing and executing a mural. Many firsts of authentic Mexican meals. I loved serving in Agua Blanca. I met amazing God-fearing people, and I got to see how other people live life in another part of the world. What we have different and what we have the same. I have gotten a taste for mission work, and I want to serve more. Of course, I love the traveling aspect of it but also to serve where I am now, in my community, within my town, my church, my circle of loved ones. I feel such a great push to serve wherever I am, to love others, and to be more like Jesus. God bless every soul I met on this trip."

What is next

The fall semester is underway with move in and classes starting. The fall sees a big push in the different ministries to meet new students and connect them to the rhythms of the group dynamics from Bible studies to discipleship.

In October, Boise is hosting the SASDA (State Associate Student Directors Association) annual meeting. Two years ago, this group came to Provo, and it was a wonderful time for the members of this group to see the place, the people, and the work that will be done by the students they send on weeklong or summer mission trips. By hosting in Boise, they will see the Idaho side of the UISBC work being done and the need for the gospel here as well.

How does this tie into the UISBC mission and vision?

Sharing Christ

Within Collegiate Ministries, the focus remains on sharing Jesus and equipping believers to share on their campus. Many of the break outs at Collegiate Week focused on this and gave students the tools and encouragement as they head back to their campus to share Jesus. As the semester

begins and new connections are made, students are finding ways to share Christ with their peers, co-workers, and friends.

Starting Churches and Strengthening Ministries
College students continue to be mobilized to directly help with new church plants or aid in existing churches. These students are using their gifts to serve in the local churches now and are not waiting until after graduation. In addition to local students, the pathways to connect students from different parts of the country through GenSend and other avenues continue to bring college students here ready to share the gospel. Their desire and eagerness to see others come to faith in Jesus is an encouraging benefit to any church to which they belong.

I'm also looking forward to partnering with my soon-to-be-named Utah co-director as we support the ongoing work and seek to expand the impact of the gospel through UISBC Collegiate Ministries.

How can we (the churches of the Utah-Idaho SBC) help?
- Pray for schedules to be conducive for student leaders to lead and help create community within each group.
- Pray for existing ministries and their students to be the salt and light to their campuses.
- Pray and be alert for new potential collegiate ministry leaders.
- Encourage churches not near college campuses to adopt a campus in their region.
- Pray for new work on campuses we are not currently on.

Last Note:
Thank you for the resources given through the State Missions Offering. These funds are graciously received by the different ministries that use them to provide for students and allow them to attend gospel training or create opportunities to share the gospel on their campuses.

Addendum from Rob Lee and Jason McNair:
We are excited to announce that we have extended an offer to a candidate for the position of Co-Director (Utah Region) of the Collegiate Ministry Network role serving Utah-Idaho SBC. Morgan Brendle currently holds the position for both states since the departure of Ben Neiser, and it has always been our goal to split the role between the two states and have regional leadership. This enables each leader to serve more strategically; focusing their work on partnerships with local churches and campuses and minimizes travel expenses since it requires fewer miles between meetings within states. Additionally, it synergizes the partnership between each director's gifts and talents. The budgeted funds currently directed to one leader will be split between both regions.

In August of 2025, we approached Ben Sutton, Campus Minister for Christian Challenge at University of Utah, staff collegiate pastor at Risen Life Church, and Doctoral Student completing his dissertation defense later this year from Southern Baptist Theological Seminary in the area of Mormonism, evangelism, and college ministry emphasis. We have offered him the Utah Co-Director position. He has since accepted and plans to begin his assignment in September. We are completing the paperwork and all necessary background checks. He will remain full time with the campus and church he is called to serve, but, like Morgan in Idaho, he is looking forward to serving the State Convention churches and college campuses in Utah.

We have received $377,758 in Cooperative Program funds from our churches so far this year. Receipts through July are 46% of the annual budget. Expenses are currently exceeding receipts. Next year's budget will need to be adjusted to reflect the continuing decrease in giving trends. Compared to January-July 2024, this year's giving is down by 14.3%.

Transitions

Gary McKean has been the faithful legal advisor for the UISBC for many years and is stepping back from his role on the Legal Team. Gary has been a steady voice of reason and levity for numerous churches and the UISBC staff. He has walked countless churches through tough legal decisions with grace and attention that will be sincerely missed. Two years ago, Gary and the UISBC staff brought Brian Davis on board to work with Gary and eventually transferred the legal consulting work to Brian. Now at the end of the transition, Gary will be spending more time spoiling his bride, Naomi, while Brian handles all the legal consulting for the UISBC and its affiliated churches. Brian has big shoes to fill and owes a debt of gratitude to Gary for supporting him in this journey. Please join Brian in thanking Gary for his hard work serving God's kingdom and wishing Gary and Naomi many more wonderful years worshipping our God.

Constitution Committee

Legal assisted the Constitution Committee in reviewing two proposed changes to the UISBC's bylaws. Legal helped arrange and facilitate the meeting and prepared the written findings and recommendations for the Executive Board. Legal looks forward to the future work of the Constitution Committee in making the UISBC's bylaws strong and God honoring.

Programs

Legal continues to help churches with legal documents. For example, Legal received a call from a church that may potentially receive assets from another church and requested template documents to facilitate the transfer. Legal recently received a second call from a church wanting to revamp its bylaws.

Abuse Update

Legal helped the UISBC staff gather resumes and bios from prospective Crisis Care Team members. Legal looks forward to putting together the Crisis Care Team and working with the team to educate and support our churches.

Travel

Legal visited four churches from the Silver Lakes Association. Legal assisted Priest River Baptist Church in finding an attorney to represent a woman escaping an abusive relationship. Legal will also assist another Silver Lakes Association church in reincorporating with the State of Idaho.

Idaho Church Planting

Dr. Richard P Dugger, Church Planter Catalyst
Mike Palmer, Reach Idaho
Clint Henry, Church-based Catalyst

During the past year, we have seen a total of six new church plants and affiliates align themselves with the Eastern Idaho SBA, Treasure Valley BA, and the UISBC. Currently, most planting activity is located on the western side of southern Idaho, specifically in the greater Treasure Valley region. At the end of September, I had four new church planters, two from Idaho and two from Utah, attend the Denver fall assessment retreat. We look forward to the launch of their individual church plants in the coming months

It is exciting to share that in the coming spring of 2026, I already have five planter candidates that I am guiding through the assessment process, including four from Idaho and one from Utah. One of the Idaho planter candidates is Cameron Warner, who was recently ordained by and is being sent by The Falls Church in Ammon. It will be their first experience as a NAMB sending church, and it is great to see them engaging at this level.

The church planter residency program continues to expand across southern Idaho. Pastor Mike Palmer and his excellent staff at Salmon Valley BC, continue to lead and develop a university/seminary student internship, which has proven most effective in bringing past participants back to our field in Idaho and the Mountain West region. Following Pastor Mike's lead, Pastor Dave Carver has just engaged in a year-long internship program at Water's Edge Fellowship in Burley. Pastor Aaron Scott at Twin Falls Community Church is working to build his infrastructure for a church planting residency, with hopes of beginning within the following year.

Pastor Clint Henry continues to lead the way as a church-based CPC in the greater Treasure Valley region, his expertise and commitment to seeing the Treasure Valley have more Gospel centered, Bible preaching, and Bible teaching new churches is inspiring. Because of his continued partnership, I am thrilled that we now have a new Hispanic residency program started in the greater Treasure Valley BA. It is being hosted by Central Valley BC and is led by Pastor Roy Vargas, who recently began the planting of Central Valley Español in Meridian, Idaho. Roy is assisted in this residency training process by church planter/pastor Tim Martin. This residency has nine participants and five observers, which is a tremendous start. I am hopeful that within the next year, we can lay the groundwork to begin a residency in Idaho Falls focused specifically on raising new Hispanic church planters for Eastern Idaho.

Overview

Utah continues to be a challenging mission field with evangelical Christians representing 2% of the population. However, God seems to continue to stir up the move of the Gospel throughout our state that has resulted in more laborers moving to Utah and more churches being planted. Short-term teams is a great way for us to mobilize missionaries to Utah. Will Galkin, the Send City Missionary for Salt Lake, and the Gospel Family of Churches use Plant Camp to do that. Bobby Wood oversees the GenSend program, which is an eight-week program for the summer where students from all over the country work on missionary teams doing evangelism disciple making and church planting. Missional laborers have also moved into churches to help start new works with an estimated eight new churches planned to launch in 2026.

Women's Missions and Ministries Report
Mary McFarling, Women's Network Leader

This year, the UISBC Women's Network has focused on growing as a network, strengthening connections, and ministering to more women by partnering with churches and associations to provide opportunities in various locations across our two states, in addition to hosting our annual Women's Conference alongside the Utah-Idaho SBC annual meeting.

Three regional events took place in the spring and early summer providing opportunities for women to gather for inspiration, learning, and fellowship. The Treasure Valley Baptist Association held their annual women's retreat in April in Cascade, Idaho where women from churches throughout the association and surrounding areas were encouraged to "Be Prepared, Be Bold, and Be Strong, in Love". Joy Baker from Salmon Valley Baptist Church led the Bible study sessions. The UISBC Women's Network assisted with funding.

May 16-18 women from across the Eastern Idaho and Magic Valley Baptist Associations gathered at Living Waters Ranch in Challis, Idaho for "Taste and See", the second year of the Eastern Idaho Women's Retreat hosted by Salmon Valley Baptist Church in partnership with the Eastern Idaho Baptist Association and the UISBC Women's Network. Marty McGukin from Calvary Baptist Church in Idaho Falls was the Bible study leader. Women from several churches were involved in planning, preparations, and in leading worship and activities. Sixty-four women from eight churches participated.

"Seaside Reflections" Women's Conference was hosted by Mountain View Baptist Church in Layton, Utah in partnership with UISBC Women's Network on June 20–21. Sheila Gustafson from Missouri was the primary speaker and breakout sessions on the parables of Jesus were led by Mountain View members. Pastors' wives were special guests for dinner and a focused conference session. The attendance increased over last year's conference and included women from several churches. It is our desire that this conference continues to grow and become a key regional event for women in our churches throughout the Salt Lake Valley.

September 7th women from across southern Utah gathered at First Southern Baptist Church in Washington, Utah for their annual women's event, "To Me It Became a Joy". Connie Dixon, author of the book by the same title and President of National Woman's Missionary Union (WMU) was the guest speaker.

Network Leadership team members have made a special effort to reach out to women in northern Idaho and southern Utah as we have contacted pastors' wives and looked for opportunities for women to gather in these areas where our churches are far apart. Canyonlands Fellowship Church in Moab, Utah is planning an event in November and inviting women from the area.

The annual Women's Conference, October 23rd at Central Valley Baptist Church in Meridian, Idaho featured three special guests as speakers and conference leaders. Yajing "Iris" Zhang will be sharing about Christianity in China. She and her husband came to the United States in 2021 to study at Southwestern Seminary. Since graduating in May they are serving at Austin Chinese Church ministering to Chinese-speaking university students. Sandra Fonseca from New Mexico will be speaking in a general session and leading sessions for Spanish-speaking women. Sarah Rogers from Greenville, South Carolina will be speaking and leading a session with pastors' wives.

We are currently making plans with Sarah Rogers for a gathering with Utah-Idaho pastors' wives in August 2026. Sarah is an outstanding Bible teacher and will be bringing a team of volunteers to lead this special time.

"Fresh Start", the Christian Women's Job Corps (CWJC) site which began last year in Burley, Idaho, is currently in their third semester with classes meeting twice each week. Sixteen volunteers have been trained and participated in teaching, encouraging, and meeting needs of the participants. Four volunteers are receiving next level training through National WMU. The site was licensed last year and has now completed the necessary steps for certification. Christian Women's/Christian Men's Job Corps is a compassion ministry of national Woman's Missionary Union (WMU) with more than 150 certified sites to equip women and men, in a Christian context, for life and employment including Bible study, mentoring, and job readiness skills, and other components.

As we continue to strive to connect women and provide information, resources, encouragement, and inspiration, I have attended Zoom meetings with women's leaders from Lifeway Christian Resources and the Women's Evangelism Department of the North American Mission Board and attended the annual board meeting and training conferences of the Woman's Missionary Union to be able to share information through our private Facebook groups. These groups are also a primary source of information about our events and a valuable connection for women who also use these sites to share prayer requests and encouragement.
