

62nd Annual Meeting

BOOK OF REPORTS

HIS AUTHORITY OUR MISSION

And Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age." - Matthew 28:18-20 (ESV)

2025 ANNUAL MEETING MINUTES

Utah-Idaho Southern Baptist Convention – 61st Annual Meeting October 24, 2025 – Central Valley Baptist Church, Meridian, ID Meeting Minutes

Session #1:

UISBC President Roger Naylor presided and called to order the 2025 Annual Meeting of the Utah-Idaho Southern Baptist Convention. Jeremy Scott, messenger from Freedom Fellowship Church in Coeur d'Alene, ID, motions to seat the registered messengers to the 2025 Annual Meeting of the Utah-Idaho Southern Baptist Convention. Anders Snyder, messenger from Calvary Church in Nampa, ID, seconded the motion. The motion to seat messengers passes.

Credentials Committee – Benaiah Neetz, the Chair of the UISBC Credentials Committee, brings a report for the Credentials Committee and welcomes and presents three newly admitted UISBC Churches – Midvale Community Church in Midvale, ID, Mosaic Church Vineyard in Vineyard, UT, and Waypoint Church in Boise, ID.

-Message from UISBC President Roger Naylor on 1 Peter 2:9 and the theme of the 2025 Annual Meeting – Back to the Basics: Preach, Pray, Praise-

SBC Entity Reports

SBC Executive Committee – Jonathan Howe reports on behalf of the SBC Executive Committee. Howe reports on the Executive Committees Abuse Prevention and response efforts. Howe reports that Jeff Dalrymple has recently joined the SBC Executive Committee and is leading the Abuse Prevention and response efforts of the SBC Executive Committee. Howe reports that a new abuse helpline has been launched as of August 2025 to assist churches when it comes to the topic of abuse. Howe also reports that a new business and financial plan was approved at the national 2025 Dallas, Texas SBC Annual Meeting which includes new methods of accountability and transparency as it relates to the financial and business operations of the Southern Baptist Convention. Howe reported that the IMB share of the 2026-27 SBC budget will increase to 51%. Howe briefly reported on the Annie Armstrong Easter Offering and the Lottie Moon Christmas Offering and highlighted how these special offerings go towards sending missionaries and planting churches. Howe concluded his report by thanking the UISBC Churches for giving to the SBC Cooperative Program. Lastly, Howe announced the 2026 SBC Annual Meeting which is set to take place in Orlando, FL and encouraged UISBC churches to send messengers if they are able.

Gateway Seminary – [Gateway Seminary video presentation] – Steve Veteto, Director for the Gateway Seminary Rocky Mountain Campus, reported for Gateway Seminary. Veteto reported that because of a major donor, current Gateway Students can take a fully funded international mission trip as part of their degree program. Veteto reported that Gateway is in the early stages

of creating a Hawaii campus to offer Gateway Seminary classes in the State of Hawaii. Veteto concluded his report by sharing that the Salt Lake School of Theology has experienced an increase in students attending in-person classes in Salt Lake City and encouraged the churches to call out those within their churches who are considering ministry and theological education.

Lifeway – [Video report from Lifeway highlighting current leadership transition within Lifeway]

GuideStone – [GuideStone Video Report] – Jeff Weathers reported in person on behalf of GuideStone Solutions. Weathers shared the mission of GuideStone and shared about the various GuideStone benefits that are available to UISBC church staff who currently have retirement accounts. Weathers shared about the health plans offered by GuideStone which reflect Biblical values. Weathers concluded the report by presenting the GuideStone Mission Dignity program which assists low-income, retired SBC ministers.

North American Mission Board – [Video presentation from NAMB President Kevin Ezell] – Michael Cooper, the UISBC Church Planting Catalyst, and Jackie Allen, the Director of Send Network Mountain West Region, reported on behalf of NAMB. Cooper reported that there are many upcoming Church Plants in Utah and Idaho are preparing to officially launch in the coming months. Cooper reported that local Utah Idaho churches are planting churches and that fewer churches from outside of Utah and Idaho are planting. Jackie Allen highlighted specific church plants or upcoming church plants in the Utah and Idaho regions. Allen concluded the report by thanking the churches of the UISBC for giving to the Cooperative Program.

ERLC – [Video report from the ERLC]

International Mission Board – [IMB video report from IMB President Paul Chitwood] – During the video report, Chitwood highlighted the mission of the IMB and thanked SBC Churches for supporting the missionaries serving through the IMB. Chitwood reported that IMB Missionaries are staying on the mission field longer because of the support and backing of SBC Churches. Chitwood reported that through Send Relief efforts, many around the world in physical and tangible need have received assistance, and that through these efforts, those in need hear are able to hear the Gospel as needs are met.

UISBC President Roger Naylor opened the Business Session by reporting that as of 10:30am, 86 Messengers were registered to the UISBC Annual Meeting.

Rob Lee, the Executive Director for the Utah-Idaho Southern Baptist Convention, presented the Executive Director's Report – Rob Lee opened his report by praying for various pastors who are currently facing health issues. Lee introduced Jared Jenkins from Gospel Light and reported that Jared is leading the Send Relief Serve Tour in Salt Lake City set to take place April 17-18, 2026. Lee also introduced Will Galkin as the new Send Salt Lake City Missionary.

Rob Lee highlighted the three priorities of the UISBC. The three priorities of the UISBC are *Sharing Christ, Starting Churches, and Strengthening Churches*. Lee noted the vast lostness that still exists in Utah and Idaho, and shared that despite the lostness, UISBC churches have experienced an increase in baptisms over the past few years. Lee announced that through the UISBC and NAMB Evangelism Grants, which are available to UISBC churches, that 35,000 people in Utah and Idaho had the opportunity to hear the Gospel over the past year.

Lee reported that according to the second priority of the UISBC, that more churches are needed in Utah and Idaho and that UISBC churches are planting churches and are praying for a movement of God to take place across our two-state convention of churches. Lee recognized current church planters, those who are part of UISBC church plants, and other state leaders who are specifically working and supporting SBC church plants.

Rob shared that the third priority of the UISBC is to strengthen churches and that there are many younger leaders stepping up to serve UISBC churches that are pastorless or in need of pulpit supply. Rob highlighted that UISBC churches serve one another and that the state staff seeks to be a support system for the churches as UISBC churches serve one another.

Rob Lee concluded his report by sharing that many UISBC churches are experiencing difficulties related to their insurance policies. Lee announced that there is an upcoming opportunity for a group insurance policy to be developed with the purpose of serving and providing for SBC churches. This group policy is expected to be developed within the next two years and interested churches are encouraged to learn more and to reach out with specific questions.

Business Session 1:

Constitution Committee – Jeremy Scott reported for the UISBC Constitution Committee. Scott reported that the two motions from previous Annual Meetings that the Constitution Committee have been working on are related to Resolutions and the Credentials Committee processes. Scott presented recommendations on Resolutions and on the process in which the Credentials Committee reviews applicant churches seeking fellowship with the UISBC.

Relating to the UISBC Credentials Committee, the Constitution Committee has found and made the following recommendations:

The Constitution Committee has found that it is beneficial having two groups (Credentials Committee and the Executive Board) review applicant churches that are applying for UISBC fellowship. The Constitution Committee has also found that the credentials section of the bylaws does not adequately guide the Credentials Committee in reviewing and receiving applicant churches.

The Constitution Committee recommends keeping the Credentials Committee as the first

review of applicant churches.

The Constitution Committee recommends amending the guidelines for the Credentials Committee to include a more robust timeline for reviewing and receiving applicant churches.

The Constitution Committee recommends amending the guidelines for the Credentials Committee to include a checklist to use in reviewing applicant churches.

The Constitution Committee recommends amending the guidelines for the Credentials Committee to include Baptist distinctives that ensure cooperation, unity, and health amongst churches affiliating with the Utah-Idaho Southern Baptist Convention.

Relating to UISBC Resolutions, the Constitution Committee has found and made the following recommendations:

The Constitution Committee finds Resolutions serve as an important function in giving a voice to the UISBC on public policy issues.

The Constitution Committee finds the purpose of Resolutions is misunderstood and that there is a need for clarification.

The Constitution Committee finds the Resolutions section of the Bylaws does not adequately guide the Resolutions Committee in receiving, reviewing, and addressing Resolutions.

The Constitution Committee finds the Resolutions section of the bylaws does not adequately guide Messengers in crafting Resolutions.

The Constitution Committee recommends keeping Resolutions as a form of communication for the UISBC.

The Constitution Committee recommends amending the guidelines for the Resolutions Committee to include more robust guidance and timelines for receiving, reviewing, and addressing Resolutions.

The Constitution Committee recommends amending the guidelines for the Resolutions Committee to include more robust guidance on drafting resolutions. Specifically, language that informs the Messengers and the Resolutions Committee that Resolutions are intended to unite affiliated churches on public matters.

Nominations Committee – Billy Galloska reports for the Nominations Committee. Galloska thanks those who have served on the UISBC Executive Board and presents the new Executive Board nominations: December Galloska (First Baptist Glenns Ferry), Paul Campbell (Gospel Peace), Rafael Gutierrez (Canyon Church, SLC), Richard Nevarrez (Rupert Bilingual), Russell Schafer (First Baptist Monticello, UT), Sam Bibb (Table Rock), Van Kierstead (New Covenant Nampa). The motion to accept the newly appointed UISBC Executive Board members passes.

-Serve Tour SLC Announcement – Jared Jenkins from Gospel Light Church-

-Closing Prayer-

Session #2:

UISBC 2nd Vice President, Timothy O'Day, presided over the second session and opened in prayer.

Business Session 2:

Properties & Loans Committee – Wendy Hoshizaki reported for the Properties and Loans Committee. Wendy reported that the committee oversees convention properties and the loans provided by the UISBC Trust and Memorial fund. Hoshizaki reports that the Churches who currently have loans out with the UISBC Trust and Memorial Fund are in good standing and are up to date with loan repayments.

Program Committee – Tyler Baker reported for the Program Committee. Baker reported that the most recent and primary focus of the Program Committee has been creating and implementing an Abuse Prevention and Crisis Support Team in order to assist and serve UISBC churches if they need assistance and support during a crisis within their church.

Budget & Finance Committee – Scott Plath reported for the Budget and Finance Committee. Scott recognized the members of the Budget and Finance Committee and thanked them for their dedication and service. Scott also recognized Sally Teny as the new Director of Business Services for the UISBC. Scott reported that the UISBC is currently completing a third- party financial audit and directed messengers to the Book of Reports for more information. Messengers were also directed to the 2025 Book of Reports to review convention giving and the convention budget. Scott reported that the Committee and the Executive Board have voted to reduce giving to the national SBC from 30% to 20% to ensure the UISBC is able to make budget. It was also explained that any giving received above the 20% budget would be passed on to the national SBC until 30% of the budget is passed on to the national SBC.

Administrative Committee – Matthew Claridge reported for the UISBC Administrative Committee. Matthew introduced and thanked Sally Teny for her years of service to the UISBC and for accepting the position of Director of Business Services.

-Message from Convention Recording Secretary, Allen Featherstone, on PREACH from 2 Timothy 4:1-5-

EXECUTIVE BOARD MINUTES
October 24, 2025

The Executive Board met over lunch during the Annual Meeting. There was no business to address. They used the time to introduce new board members and enjoy a time of fellowship.

Executive Board Meeting – Minutes

May 16, 2026

Canyons Church, Salt Lake City, Utah

Call to Order/Devotional:

Matthew Claridge called to order the Spring 2026 UISBC Executive Board Meeting and gave a devotional from Second Samuel chapter six, continuing from the devotional theme from the Fall 2025 Executive Board Meeting devotional. Matthew highlighted the relationship between King David and his wife Michal, the daughter of Saul. Claridge highlighted the bitterness of Michal towards David because of his behavior as an upcoming King and related this to ministers and the bitterness and criticism they so often face from others as they serve the Lord. Claridge warned against becoming bitter and having a hardened heart because of the difficulties that often happen in ministry. David did not allow Michal to dampen his faith in the Lord and David continued to celebrate the Lord and the Lord's calling upon his life. Claridge encouraged board members to 'hold on to the joy of their salvation' in the same way that David did amid critique and adversity. David knew that he was part of a greater story that God is telling and that this truth is the same for those today whom God is using to serve Him. Board members were reminded that it is the Lord who calls them and who holds their days. Dedicated life to ministry may look foolish to the world, but in the eyes of the Lord, those who serve faithfully are awaiting glory and the fullness of the presence of the Lord. Claridge closed the devotional in prayer.

Roll Call:

Gavin Roberts, Sam Bibb, December Galloska, Paul Campbell, Eddie Hancock, Richard Nevarrez, and Mike Eaves were absent – Clint Henry motions to excuse board members listed as absent. Charles Petty seconds the motion to excuse absent board members. Motion passes.

Approval of Minutes from previous Board Meeting:

Clint Henry moves to approve the meeting minutes from the September 2025 and October 2025 Executive Board meetings, Dave Carver seconded the motion. Motion passes.

Financial Report:

Rob Lee presented the following UISBC Financial Report:

The UISBC ended 2025 CP with \$713,400.10 compared to \$737,204.95 at the end of 2024, 11.6%

below budget. The State Missions Offering received was \$86,035.70, in the previous year, \$79,644.10. The giving trend is up for State Missions Offering and down for the Cooperative Program.

The 2026 budget started in January significantly below budget in giving to the Cooperative Program, but December 2025 giving was significantly increased. The Cooperative Program was above budget for February and March, and ended just below budget, but was over last year. To date, giving to the UISBC is below last year's giving amount. Lee noted that the UISBC is below budget by 9.6% for the first quarter of 2026.

The State Missions Offering has received \$14,390.87, compared to \$14,864.46 from last year, which is below the \$259.67 given in the first quarter last year. Lee noted that during the first 1/3 of 2026 that Cooperative Program Giving is -11.6% below budget.

Rob highlighted that USIBC staff spending is in line with current Cooperative Program giving despite the overall increase in cost of travel, doing business, etc. and stated that 2025 expenses were \$74,789.87 below receipts and that there was a net increase of \$14,141.41 because of the UISBC GuideStone Investment growth of \$86,931.28.

Lee closed the Finance Report by sharing the 2025 Cooperative Program giving allocations as follows:

\$499,380 ministry in support within the UISBC. \$107,887 to the International Mission Board (IMB). \$48,775 to the North American Mission Board (NAMB). \$47,427 to the SBC Seminaries. \$9,931 to the SBC Executive Committee. UISBC church offerings provided \$86,086 to the State Missions Offering. \$193,466 given to the Lottie Moon Christmas Offering of the IMB. \$107,112 to the Annie Armstrong Easter Offering of NAMB. \$6,100 to Global Hunger Relief. In total, UISBC churches gave \$1,106,166. Rob highlighted that USIBC churches still give faithfully to see the Gospel and our State Convention vision go forward.

Following the Financial Report, Board Member Clint Henry asked for clarification regarding the South Carolina Grant Funds that are listed on page 3-52. Rob Lee explained the partnership between the UISBC and the South Carolina Baptist State Convention and how these funds specifically help individuals move to Utah to live life on mission.

U & I Together Report – Rob Lee:

U & I Together Report presented by Rob Lee as follows:

God continues drawing folks to faith across our two-state convention. Every week, I look for pictures and videos of our churches celebrating baptisms. Many of our churches celebrated with baptisms this year for Resurrection Sunday/Easter. It was exciting to see pictures and hear reports from Redemption Hill Church celebrating 51 baptisms the last Sunday of April. I'm

guessing that could be the most baptisms ever in a single service in one of our churches.

Our Annual Church Profile reports showed a growth in baptisms last year with one church celebrating 132 baptisms. ACP reports remain a challenge to get. I wish all of our churches would report so we could see the real scope of what is happening across our State Convention. Still, with that in mind, we have seen six years of growth in the number of folks being baptized in our churches. PTL!

From reports: 10,423 Total Membership, 780 Baptisms, 602 Additions, 10,562 Weekly Worship Attendance, 5792 Weekly SS/Bible Study attendance, 4028 VBS Enrollment; undesignated giving \$15,024,338, CP churches reported \$789,723.

We still have new churches being started across our region. If all I have heard planned come to pass this year, it would be 16, a record year for us. God is calling folks to come here to start churches, and it's exciting we are seeing those in our churches being called out to go out and start churches.

Reach Idaho has started off great and has three vision tours coming up. There are partners outside of Utah-Idaho who want to assist us in sharing the gospel, starting churches, and strengthening churches. Reach Idaho took a leap of faith and hired Richard Dugger, who NAMB retired as our Idaho State Church Planter Catalyst after serving faithfully for 11 years. Richard was not ready to retire, and we did not want to see him and Teresa move out of our region. He and Mike Palmer have been spending a lot of time recruiting additional partners to join us.

Please know Reach Idaho is not in competition with UISBC but is part of our UISBC family. I'm on their board and regularly hear from Mike. Many SBC churches and associations are looking for partners within the SBC to assist with mission work. There are a variety of reasons why, but some want to do missions directly, so their funds go to where they want them.

As we are a month away from the SBC annual meeting, you can expect, as I have noticed, the number of blogs and discussions about SBC to increase. Don't let this deter us from our main task of telling others about Jesus, equipping our members for the works of ministry and discipling the saved.

Please read my report in the Program Committee section for a fuller update. Our excellent team loves serving our churches, especially those that are pastorless and in need of help. We are a family that cares for one another. But as I now enter my thirty-fifth year serving on your staff, change comes. I just had an update call on the Insurance Group policy. 350 churches in Florida are in pilot, and now we are seeing if we can get the Rocky Mountain region too.

Our contract Disaster Relief worker, Russ Hohmann, announced he plans to retire at the end of this year. Our prayers seeking the Lord's direction to the right leader/trainer to lead DR have been answered, as we did when Russ joined us. Russ has made the recommendation for Teresa Farley, DR Offsite Coordinator from Idaho. As you can see from her resume, we are very blessed

to have her in our state convention, already faithfully serving. Russ has been helping prepare her to take on the role.

Last year, we conducted an initial search for a part-time Ministry Assistant (Administrative Assistant) following Sally Teny's promotion to Business Services Director. Due to a lack of resumes and financial challenges, we did not restart the search until January this year. We had two resumes and offered the position to Sonia Gutierrez, who has faithfully served as our Hispanic VBS trainer and Women's Network Hispanic leader for many years. She started the last part of March. Thank you to Debbie and Sally for seeing that office work did not fall through the cracks.

Our vision is a network of UISBC churches working together under the Lordship of Christ to advance the Kingdom by churches sharing Christ, churches starting churches, and churches strengthening churches.

I want to take some time to ask for your prayers for unforeseen challenges in our family. We would deeply appreciate your prayers!

Matthew Claridge concluded the time for the U & I Together Report by calling up Dave Carver to pray for Rob Lee and his family.

UISBC Committee Reports:

Properties and Loans – Janet Molina, chair for the P&L Committee reports. Molina reports that the Committee has reviewed the UISBC list of assets and has ensured that all assets are up to date. Janet noted that the committee reviewed the Fillmore Utah property and that the current Church renting the building continues to rent with the intent to buy at the end of their three-year lease. Janet also reported on two current UISBC loans that are being repaid and noted that these loan payments are being paid on time.

Properties and Loan Committee Action Item that requires Executive Board approval – Matthew Claridge called for a vote to loan Primera Iglesia Bautista in Burley, Idaho \$20,000 to pay for a new sprinkler system on their property. Executive Board vote passes. The Properties and Loans Committee reviewed the loan application prior to Saturday's Executive Board Meeting and approved the application for the loan to go before the Executive Board for vote.

Heber Valley Baptist Church is exploring a merger with Lakeview Church Mennonite Church while still legally remaining two separate organizations. The UISBC is currently named in the property/building deed of Heber Valley Baptist Church. Heber Valley Baptist Church has not yet voted on cooperating with/merging with Lakeview Church. The Executive Board has simply stated to recognize the autonomy of Heber Valley Baptist Church and to affirm their ability as an autonomous church to decide and vote on the future direction of the Church.

Program Committee – Tyler Baker reported that the Program Committee did not have any action items and reported that the committee reviewed staff and ministry reports and found no issues with the reports.

Budget and Finance Committee – Scott Plath noted that cutting the national SBC Cooperative Program funding to 20% from a previous 30% has helped to better meet the UISBC Annual Budget. Plath highlighted that the committee voted to replenish the Higher Theological Education Fund as the fund had been depleted.

Budget & Finance Action Items – The first action item for the committee was to approve the 2024 administrative audit conducted by Miller Management. Scott Plath explained that there were very few recommendations found by Miller Management regarding UISBC policies and that the audit overall came back in the positive. Matthew Claridge called for the EB to vote to approve the action item.

The second action item was for the committee to delay the 2025 fiscal year financial audit to a 2026 fiscal year financial audit that would take place in 2027. The reason is that Sally Teny, who serves as the current Director of Business Services, would have a full fiscal year in the position before an audit takes place. The audit would be conducted by Miller Management who conducted the 2024 administrative policy audit. Matthew Claridge called for the EB to vote to approve the action item. Vote passes.

Administrative Committee – Matthew Claridge reported for the Administrative Committee. Claridge reported on the two action items that were approved by the committee. The first action item was to assign the Constitution Committee to review the bylaws as it relates to Resolutions that take place at the Annual Meeting of the UISBC. The Constitution Committee has presented amendments to the Bylaws regarding resolutions as well as the processes for the Credentials Committee. The Constitution Committee will continue to make some final edits to the proposed Bylaws amendments for the Executive Board to approve before presentation at the 2026 UISBC Annual Meeting in Salt Lake City.

The second action item was to review the resume and recommendation for a new Disaster Relief Network Director as Russ Hohmann is retiring from the role. The Administrative Committee reviewed the resume of Teresa Farley along with the recommendation from Russ Hohmann. The Administrative Committee had some concerns regarding Teresa's social media use as it relates to political opinion and how this might reflect on the UISBC as she represents the UISBC in Disaster Relief. The Administrative Committee voted in favor to move forward with Rob Lee making the final hiring decision for the contracted Disaster Relief position after additional conversations take place regarding social media use and representing the UISBC. The UISBC Executive Board voted to move forward with extending the offer so long as Rob Lee feels comfortable and that there is unity between Teresa and the UISBC as she formally represents the UISBC in Disaster Relief Ministry.

The Administrative Committee discussed the Heber Valley Baptist Church/Lakeview Church potential merger under the Heber Valley Baptist Church corporation as it relates to their property/building, Risen Life Church SLC, who has also been named in legal documents as it relates to the property, and the UISBC. The Administrative Committee has stated that they simply want to acknowledge and recognize Heber Valley Baptist Church's autonomy and their ability as an autonomous congregation to decide regarding the future of the church.

New Business - The Administrative Committee discussed the Fall 2026 Executive Board Meeting and voted for the meeting to take place on September 11-12, 2026, at Gospel Grace Church in SLC with Canyons Church in SLC being an alternate/backup location. The Executive Board voted to affirm the proposed 2026 Fall meeting date and location.

Meeting Adjourned.

Respectfully submitted,

Allen Featherstone

Executive Board Meeting Minutes
September 12, 2026
Gospel Grace Church, Salt Lake City, Utah

Call to Order/Devotional: Matthew Claridge, (Executive Board Chairman)

Matthew shared with the Executive Board an inspired devotion out of 1 Samuel 29:1-8. He pointed out the three kinds of tests David faced that prepared him for leadership (Priestly, Prophetic, and Kingly) 1 Samuel 29 was centered on the kingly test. David became an asset and a threat to the Philistines; that tension allows him to preserve his people and his calling by keeping a careful, wise distance. Matthew pointed out a biblical pattern of believers such as Joseph, Daniel, and David that proved indispensable without compromising convictions. Yes, they were in the world but not of the world.

What does that mean? It means active engagement-serving public welfare without absorbing worldly values. We as Christians are present in our community and workplaces, we are to be indispensable by contributing to the common good without compromising our faith. We are to protect our convictions by keeping a healthy distance from corrupt influences. We are to serve the vulnerable in practical ways that reflect Christ's generosity. We are to pray for wisdom and ask God for guidance when facing moral or strategic dilemmas. We are to emulate biblical examples like David, Joseph, Daniel, and Jesus by combining faithfulness with wise, winsome engagement. Matthew challenged us with a number of questions:

1. Would our neighborhood miss us if we were gone - would our absence be palpable?
2. How are we serving our "King Apeh (authorities, institutions, employers) while maintaining our faith commitments?
3. In our relationships, how do our words and deeds show Christ's generosity and truth?
4. Where do we need greater wisdom to be both faithful and effective in our calling?

David's experience in 1 Samuel 27-29 models how Christians should live: be present and active in the world, making ourselves indispensable for good, while remaining faithful to God - "In the world, but not of the world".

Roll Call:

Allen Featherstone, Gavin Roberts, Sam Bibb, Clint Henry, December Galloska had excused absences. Tyler Baker made a motion that we accept these as excused and Charles Petty second. The Executive Board accepted unanimously.

Recognition of Guests:

Tanner Lee, Rob's son, and Katrina Davis, Brian's daughter

Approval of Minutes:

The Executive Board reviewed prior meeting minutes, Scott Plath - motion to accept the minutes as printed, Richard Nevarez seconded and Board approved.

Financial Report: Sally Teny (Business Services Director)

CP giving through the end of July is \$391,899.23. That's about 57% of our budget for the year – right about where we'd expect to be at this point. A strong yearly gift in June, along with the steady, faithful giving from churches, has us sitting at just 1% below budget for the first seven months of the year.

Looking ahead – and this doesn't include August – we have about \$292,800 left to reach our budget for the year. Based on what we've seen in previous years giving, a number of our churches tend to give their annual gifts toward the end of the year, so we're hopeful that'll carry

State Missions Offering update: Through July, we've received about \$39,000 toward our \$98,000 goal for the year. That's typical for this point in the year, since our week of emphasis doesn't happen until the first full week of September. Historically, the second half of the year, especially October, is when we see giving jump, often two and half times what we'd normally see in a month.

Overall, we're right where we'd expect to be with some encouraging signs as we head into fall.

U&I Together Report: Rob Lee (Executive Director/Treasurer)

You can read Rob's report on Page 4-24,4-25,4-26. September 12, 2026

Rob thanked the Executive Board for the leadership in their churches, their network of churches and role with the Executive Board. When we come together, the Utah-Idaho staff has full confidence that you will serve well and that you will seek the Lord's guidance on every decision, no matter how weighty the issue. Challenging questions are appreciated; it helps make sure we all are aligned with what the Lord wills. God continues to amaze us in what He is doing from our smallest to our largest church. God is changing lives from Northern Idaho to Southern Utah—even down to Mesquite, NV. Each week, it is a joy to receive texts with pictures and videos of a church's latest baptisms and to peruse Facebook and Instagram posts for baptisms. Rob stated that when he preaches at a pastorless church or for a pastor out of town, it's a joy to share that we are family. A diverse family reaching different language groups and cultural groups that call our region home or are here to enjoy our recreation and natural beauty.

Volunteers, in many cases, like our disaster relief, are just incredible folks. And you all exemplify what it means to serve with a sweet Jesus attitude and to be servants of Christ, because we were just challenged by our chairman of the Executive Board of being involved in our communities, but yet being the salt to those communities. Disaster Relief is a good example of that. Just a couple of little highlights from me. In May, we discussed and talked with Teresa Farley about coming on and being the Disaster Relief Director. Summer was already scheduled for her to be out of country, Russ continued to do the job. We had work in the Beaver area, a couple of mud-outs on homes, and many homes that were flooded after the huge fire. He spent a fair amount of time with our teams helping in Colorado on the big fire outside of Pueblo, the Aspen fire.

Rob shared with us the potential of an International Mission Board partnership in the western part of Spain. He had a very good meeting with the missionaries and is going to follow up with them. Three individuals talked with Rob to be part of the vision team for that work. They have three church plants and a fourth plant starting. One Hispanic pastor is very interested in going. The goal in January or early February, is having a mission trip there to see what's happening and how we Utah-Idaho Baptists can help them reach the most rural part of Spain.

Reach Idaho is another update I need to share with you. You read in the reports, they have been working a lot with our Georgia partnership. Three vision trips have been done in Idaho this year with pastors, including associational missionaries coming to help us last week. They had a

large group in eastern Idaho in the Teton Valley area where we don't have work. That's a growing area, a number of folks don't live in Jackson, Wyoming, they live on the other side of the Tetons, traveling back and forth. Great things coming out of that. As a result of this, our partnership with the northwestern region of Georgia, Mike Palmer and I have talked, because he leads Reach Idaho, among many other things, and being the point for us in Idaho. We did plant two of our former pastors/staff in Georgia and we are going to reap rewards from that. They have already talked with the Executive Director about doing work out here.

Now to you as the Executive Board, thank you for your leadership in your churches, and your role on the Executive Board. When we come together, you are the State Convention. The State Staff, we have full confidence in what you do and do our best to try to fulfill the tasks that you have assigned to us. You serve well. And you see the Lord's guidance on all your decisions. We saw that yesterday in the committees on weighty issues. I deeply appreciate your challenging questions. And at times, they surprise me. I welcome that. If we did what Rob saw for Utah and Idaho, it would not be what it needs to be. This is U & I Together. It is our churches that are on the front lines doing it. Yes, I am in those churches and plants and try to be in as many as I can. Thank you for seeking God's direction, we need that as we just heard in the devotion. We are to serve Utah/Idaho, our region, we are to be solid. We want to make this region better because we want to see people come to the Lord. The great news is, as I reported in May, God is still moving in incredible ways. One of our plants had a baptism service at the end of June with 34 baptisms. If you are at a challenging time just keep sowing the seed, God will bring it up for the harvest when the time is right. Our task is to share, see churches grow, see baptisms grow. We have had some sad times when hearing of Pastor Rhett Durfee and Pastor Dan Coburn's wife (Karon), who fought Parkinson's for many years, and other church leaders and members going home to the Lord. Be in prayer for their families and churches.

When you're working with over 180, almost 200 churches, you consider all the plants this year 15 or 16, there's always something happening. We are to be mindful, our biggest resource is the Lord, our biggest tool is our prayers. My honor is to pray for you, don't hesitate to let me know what I can pray for you about even if it's confidential, I will bring it to the Lord. The state staff would love to pray for you as well.

We have six churches that are pastorless, be in prayer for them, that they get the help they need with the challenges they will be facing. Churches in crisis, that's still going on. Pray that God brings more great men. One is coming to Northern Utah who has experience as a church planter, church strategist, associational missionary, and a pastor.

We have a number of churches moving or have already moved into newer facilities and some going to two services because of lack of space. Please pray for them because of the extra work with small staff. When God shows up anything happens.

God is moving in incredible ways here. I am thankful for your continued faithful giving through the Cooperative Program, State Missions Offering, Lottie Moon Christmas Offering, and Annie Armstrong Easter Offering. Our churches are sacrificing because the world is in their hearts led by pastors and wives and church staff.

Rob finished by sharing about his son, Hunter and what he is going through with his family. Keep praying for them as Hunter works through this custody battle. It is a spiritual battle.

Matthew Claridge concluded the time for the U & I Together report by calling Timothy O'Day to pray for the needs of our convention and hurting families.

U&I Committee Reports

Properties and Loans Committee Report: Janet Molina, Chairman

Action Item number **26-003-PL (4-20)** Fillmore Baptist Church Building Sale After discussion and questions, the main concern was keeping the building a church. The \$200,000 sale was approved to move forward with one amendment: the sale is conditional on Brian Davis (Legal) drafting the wording of the agreement. The condition gives UISBC the right of first refusal if the building is sold within five years. If that happens, UISBC would buy it back for \$200,000 This comes from the committee and approved unanimously by the Board.

Action Item number **26-004-PL** "Sale proceeds from Church Property, Fillmore Baptist Church" **(4-21)**. This is a recommendation for disbursement of the proceeds from the sale of the building, as follows: \$25,000 for deferred maintenance for the UISBC office building and trailers, \$50,000 for Higher Theological Education Scholarship fund, and the remaining funds of \$125,000 (minus any fees) to increase the Trust and Memorial Grant and Loan fund.

After discussion, the following is **26-004-PL** as amended:

\$25,000 for deferred maintenance for the office building and trailers, \$50,000 for Higher Theological Education Scholarships, \$8,000 to the Health Reimbursement Account, and the remaining funds (\$117,000 minus any fees) to increase the Trust and Memorial Grant and Loan fund. The convention office is thirty years old, and the HVAC system will need to be replaced soon, most of the offices have not been painted since moving in, and our Tent and Disaster Relief trailers' tires need to be replaced before there is a blowout. The Program Committee has expressed concerns about the depletion of the Higher Theological Education Scholarship account; this increase would provide two more years of potential scholarships, and \$8000 to employee HRA will fund the first year of potential reimbursable items.

Voted on as amended, passed.

We recognized the autonomy of the Heber Valley Baptist Church requesting we affirm their ability as an autonomous church to decide and vote on the future direction of the church. The church decided that they would merge with Lakeview Church (Mennonite Church). We are out of the picture now.

Janet elected as Chair of Properties and Loans for another year.

Program Committee Report: Josh MacAvoy, Chairman

Josh and the committee commended Brian Davis and the Crisis Care Team for their work. The recommendation is that the Executive Board accept the Crisis Care Team Policy and Procedures as a part of the UISBC policy manual. A vote was delayed on the Crisis Care Team policy and procedures until all the Executive Board members reviewed the policy and procedures.

A chair was not selected because all committee members' terms are up. A chair will be elected in May.

Budget/Finance Committee Report: Scott Plath, Chairman

Action Item 26-004-BF, Employee Health Reimbursement Arrangement Policy. This policy is designed to offset employees' out-of-pocket medical expenses associated with the organization's group health insurance plan which includes a higher deductible than prior years. Reduce financial burden on employees while maintaining a responsible stewardship of our funds. Staff recommendation: The Executive Board is asked to develop a policy for the Health Reimbursement Arrangement (HRA) to reimburse eligible state staff for out-of-pocket medical expenses applied toward their group health insurance deductible. Reimbursements would be

capped at \$1500.00 per employee per year.

The committee recommends that the staff of the UISBC be reimbursed up to \$1500.00 for individuals and \$2500.00 for families for out of pocket medical allowable expenses. All eight committee members agreed on the change.

Russell Schafer made a motion to accept the recommendation, Jeremy Scott seconded.

Action Item 26-004-BF Passed in favor.

Action Item 26-006-BF Funding for the Pastors Conference,

The Budget Finance Committee members discussed the difficulty of organizing the annual Pastors Conference with a budgeted amount of \$1500.00. It was decided that \$5000.00 is the appropriate amount to reflect the 2027 budget. For the present year 2026, the committee is requesting an additional \$3500.00 from the restricted account number 008870, which is titled "Strengthening Churches" (Jason McNair's area of responsibility) only from the 2026 Budget. The 2027 Budget will have \$5000.00 for account # 5018.

The Executive Board approved the change.

Action Item 26-005 BF 2027 Budget COLA

Staff Recommendation: Giving the first seven months of the year to the Cooperative Program is 1.8% below the 2026 budget. With some expenses not as high as expected and adjustments to budget items, there is room for a potential COLA increase. If a budget increase is a concern, the Executive Director is willing to forgo a COLA so other staff can receive one.

Committee Action Requested: Consider the 2027 Budget proposed with a COLA of 3.5% for Staff. And an additional \$3500.00 of Cooperative Program money to be applied to the Pastors' Conference line in the budget.

Scott stated, we want to get back up to our 30% CP giving but we want to make sure the staff is taken care of before we work toward that goal.

The amended proposal in the 2027 budget was approved and accepted by the Executive Board. Scott Plath was elected as Chair of the Budget and Finance Committee for another year.

Administrative Committee Report: Matthew Claridge

Action Item: 26-003-AC State Missionary Housing Allowance increase for September-December 2026

Rob requested a bump up on his housing allowance because of unforeseen costs. He has had several large and expensive replacements in his house over the summer.

Administrative Staff recommendation: Increase Executive Director's housing allowance to \$3,333.34 per month for the last four months of the year, beginning with September 30, 2026 pay period.

Committee action is to approve a housing allowance increase for 2026 for Executive Director, Rob Lee. All on the committee approved it. The Executive Board accepted the request.

Action Item: 26-004-AC State Missionaries Housing Allowances for 2027

Administrative staff recommendation:

Jason McNair	\$26,400	Rob Lee	\$40,000
--------------	----------	---------	----------

The Executive Board approved the recommendation.

Action Item: 26-005-AC Years of Recognition Acknowledgement - UISBC Personnel Policy Manual, Section 18.11

Committee Action Requested: Amend Section 18.11 Years of Recognition Acknowledgment to state the following: That State Missionary Staff and State Support staff be rewarded in the following manner for years of service, given at the following increments; subject to the availability of funds at the discretion of the Executive Director.

5 years of service: Plaque (or equivalent gift) and \$250
10 years of service: Plaque (or equivalent gift) and \$500
15 years of service: Plaque (or equivalent gift) and \$750
20 years of service and above: Plaque (or equivalent gift) and \$500 for each 5 years served. No cap.

The Administrative Committee voted unanimously to accept the change in section 18.11 Personnel Policy manual. The Executive Board voted unanimously to approve.

The Crisis Care Team Policy and Procedures (previously presented with Program Committee report) were voted on and unanimously accepted by the Executive Board.

Old Business: Constitution Committee.

Brian Davis stated that there were several tweaks made. Jeremy Scott stated two areas in the bylaws specifically that we're going to look at making changes regarding the Resolutions and Credentials Committee. Specificity and Clarity. This was presented to the Administrative Committee in May. There were seven changes, all of them pretty much grammatical language related. The biggest change from our original draft was regarding page 6 we call Baptist distinctives. With the Credentials Committee, we wanted to make sure that they had in writing more clear guidelines on what we are looking for with potential partnership. We felt that we needed to make sure we're taking our Baptist Faith and Message distinctives and including something in there in the actual bylaws for the Credentials Committee to act on. Out of 6 distinctives, there were 2 changes, language around membership. We updated that to reflect regenerated membership. The other change was related to Leadership and how we call out leadership. In the original draft, we called out pastor, elder, deacon, and we incorporated the language to read, biblical leadership in congregational rule. Jeremy recommends to the Administrative Committee to approve our changes, to the annual meeting to have messengers vote on these changes to the Constitution and Bylaws.

The Executive Board approved that the Constitution and Bylaw changes be presented at the UISBC Annual Meeting in October.

New Business: IRS issues

Rob Lee, Sally Teny, and Brian Davis briefed the Board on upcoming IRS changes affecting the 501(c)(3) group exemption that many UISBC churches fall under instead of holding their own.

Brian Davis (Legal) explained that churches are tax-exempt without an IRS letter. In practice, though, state and local governments often still ask for proof. The group exemption spares churches that hassle and the roughly \$600 fee for obtaining their own.

Under the new IRS language, churches in a group exemption must be subject to the central organization's "general supervision or control." The convention does not control its churches, and SBC churches remain autonomous. The UISBC will meet the "general supervision" requirement by sending every church IRS Publication 1828, *Tax Guide for Churches and Religious Organizations*, each January by email.

The IRS also now requires a uniform purpose statement for new churches requesting inclusion as of January 20, 2026. Their governing documents (bylaws or articles of incorporation, with bylaws being easier to amend) must include a purpose statement reflecting the UISBC Constitution. Brian recommended adding an affirmation of the Baptist Faith and Message, which

keeps the statement broad while leaving each church free to define its own vision.

Several other points were noted:

- Churches can affiliate with the UISBC without joining the group exemption.
- Churches that want to be included must submit a letter opting in, and the UISBC must hear from them annually.
- The rollout deadline is January 22, 2027. IRS guidance remains vague for now.
- Sally noted that many churches' contact information is outdated and must be updated before the notices go out.

A proper draft and purpose segment can be done by our October meeting for the Executive Board.

Upcoming Meetings:

October 23, 2026 Board meeting

May 14-15 2027 Board meeting (place TBA, SLC, UT)

***STATE MISSIONARY
CONTRACT
and VOLUNTEER
2026 REPORTS***

Executive Director/Treasurer
Rob Lee
October 2025 – September 2026

Staff

Brian Davis, Convention Contract Attorney and Crisis Team leader. Gary McKean serves occasionally from home; he is still recovering from being hit on his walk last summer. Russ Hohmann announced his plans to retire as our state convention's Contract Disaster Relief Director. Teresa Farley has agreed to become the new director starting in September. Mike Palmer, Reach Idaho Director; Richard Dugger, Reach Idaho Consultant; and Clint Henry, Church-Based Church Planter Catalyst, assist with Church Planting in Idaho. Collegiate state leaders, Morgan Brendle, Idaho, and Ben Sutton, Utah. Sally Teny, Business Service Director. Jason McNair assists churches with VBS, groups ministry, technology, Church Strengthening consultations, and Church Revitalization. Mary McFarling coordinates our Women's Missions and Ministries Network. Debbie Chidester, Executive Assistant and Office Manager. New part-time Assistant, Sonia Gutierrez, started in March to handle the tasks Sally previously handled.

Pastors and Wives Retreat

We held a Pastors and Wives retreat in St. George at Black Desert Resort with the North American Mission Board, November 13-15. The North American Mission Board partnered to provide housing, speakers, and worship leaders. This was the best-attended retreat in Utah in recent years, with most Southern Utah pastors participating. Due to budget constraints from the North American Mission Board, our next retreat in Idaho will not be held until April 2027.

Preacher School

In May, we hosted the Preacher School at Salmon, Idaho, training twenty-five leaders, and a new online training program is in progress through Reach Idaho, in partnership with the Mississippi Baptist online program at <http://pastortrainingschool.org>. This is designed to assist laymen who want further training to serve as lay preachers, a big need in our rural churches, as they struggle to find bivocational pastors.

Starting Churches: SEND Utah-Idaho, Church Planter Catalysts, and Reach Idaho

Will Galkin is the part-time Send Salt Lake City Missionary. Michael Cooper is the Lead Church Plant Catalyst (CPC) for Send Utah-Idaho and continues to serve as the Utah CPC. With Richard Dugger's retirement from the North American Mission Board, Anders Snyder at Calvary Nampa was hired in July to be a part-time Idaho Church Planter Catalyst for NAMB. Clint Henry, Central Valley Baptist Church, continues serving as our State Missions Offering-funded church-based CPC for western Idaho. Mike Palmer and Richard Dugger are working with outside partners to develop Reach Idaho, which focuses on supporting church-planting and church-strengthening work in Idaho. Vision Tours are planned in Idaho this year.

Sharing Christ and Serve Tour

The Annual Church Profiles revealed that, over the past six years, our baptisms have increased. Reports for 2025 show that there were 778. This year, 109 churches reported 67%, compared to 117 churches 77% that reported last year. We continue to help with NAMB Evangelism Grants. The director continues to share pictures and videos on Facebook of multiple baptism services in our churches. After three years working with an interdenominational group of pastors and leaders to have a Harvest Crusade in Utah, like the one in Idaho a few years back, the assassination of Charlie Kirk at Utah Valley University opened the door to put a crusade together in just six weeks with Harvest Church and Greg Laurie on campus. Since facilities could only handle up to 8,000, seventy additional sites were enlisted, with twenty being Utah-Idaho Southern Baptist churches to host live video casting of the crusade. Over 210,000 either viewed in person or watched live online, and over 2,100 people accepted Christ. Our pastor, Steve Pierson, pastor of Redemption Hill Church in Eagle Mountain, was chosen to give the volunteers a devotional the night before and to deliver the Crusade's closing prayer. Steve had come to Christ through Harvest Crusades in the early 90's.

Send Relief of NAMB partnered to provide a Ministry Evangelism event in Northern Utah. Originally, it was planned as the launch of CrossOver Salt Lake 2027 before the Southern Baptist Convention. We continued with the event even though the SBC 2027 Annual Meeting had to be relocated due to remodeling at the Salt Palace. Thirty-seven churches representing fifteen different states, including Idaho and Utah, came April 17-18 to work on twenty-four projects with over four hundred registered volunteers. Three of our churches served as hub sites for launching mission teams and resources for the events. It was a great success with three events loving on local bivocational pastors, assisting with remodeling projects, community beautification projects, outreach events at the university and several schools, block parties, community cookout, and prison ministry. A closing rally celebrated the projects, gospel conversations, and worship.

ACP

This year, 118 churches reported 69%, compared to 109 churches that reported 67% last year. They reported 10,423 total members, 780 baptisms, 602 additions, 10,562 in Worship attendance, 5792 in weekly Bible study/Sunday School, and 4,028 in VBS.

Partnerships

Our partnership with the Georgia Baptists' northwest region focuses on connecting our churches with theirs. Georgia Baptists held several vision tours for their pastors in both states. Mike Palmer has agreed to be our point person for Idaho partnerships with Georgia Baptists. With several former Idaho pastors now serving in Georgia, the partnership has additional interest. An association in northern Florida partners with Caribou Bible Church of Soda Springs and a Boise area church plant. An additional association in Florida has begun to partner with our Reach Idaho initiative to plant churches across Idaho. Reach Idaho hosted three Vision Tours across Idaho this year. The director is working on developing an overseas IMB partnership with a rural region, strong possibility of being in Western Spain. Plans are being made for a vision trip in 2027.

National Meetings

The director attended the Executive Director Fellowship meeting, Western Executive Director meeting with Gateway Seminary, Western States Evangelism Directors meeting, State Directors of Evangelism national meeting, Stewardship/CP Promotion meeting, and meetings at the Southern Baptist Convention meeting.

Budget

We ended 2025 below budget by \$93,560 (-11.6%). This year continues to be impacted by inflation, fuel costs, and war with Iran. The 2025 State Missions Offering was \$86,086, up \$6,442 from the previous year. The first half of 2026 is below the CP budget by \$6,284 (-1.9%) but above last year's giving by \$4,186. The State Missions Offering giving for the first half of the year is \$34,668, up \$3,615 from last year.

Sexual Abuse Implementation

Our Executive Board Abuse Prevention Policy has been implemented with MinistrySafe as our processor for background checks and abuse training modules. We formed a Crisis Care Team that is available to assist churches dealing with abuse-related situations. The team has met, is adding a rotation for participation, and would like to see a lady from Idaho added to the team this upcoming year. They have offered assistance to one church with a question on an issue, and another about a non-active church member, our Convention attorney offered his assistance.

State Convention Missions Needs

Most of our associations are moderator-led, except for Whispering Pines and Salt Lake. This necessitates state staff assuming responsibilities that our churches previously relied on their association to handle, such as Pastor Search Committees, conflict resolution, options for churches in need of revitalization, assisting in filling pulpits, and training Transitional Pastors and Church Revitalization pastors.

State Missionary for Strengthening Churches
Jason McNair
2026 Fall Executive Board Report

Surrendered to Jesus Christ, the **UISBC Staff Members** are challenged to:

1. **Facilitate strategic relationships** between churches for the purpose of serving one another so that every church is connected to strengthen another church.
2. **Set yearly goals** that are obedient, clear, and measurable to meet the challenge of this vision.

Following the spring executive board meeting that met at Canyons Church, UISBC staff has had a couple of occasions to train two pastor search teams across Utah (and remotely, in Idaho). After the June SBC Annual Meeting, Pleasant View Baptist Church in White Bird, ID called an interim pastor from Georgia who will work with their church through the search process and seek ways to revitalize the church during the interim. This is the only church in Idaho currently involved in a pastor search. This is great news. We do have a couple churches in Utah that are still in the midst of a pastor search. Emmanuel Baptist Church in Hyrum has called an intentional interim trained leader to guide them through their search. We are hoping to host a mid-week training for Mountain View Baptist Church in Milford in their search for a bi-vocational pastor after their pastor of 14 years resigned in August. They have pulpit supply scheduled for several weeks and churches around the area are helping when they can by sending folks to provide leadership and comfort to this important congregation in a strategic part of our two-state convention.

This past summer, churches across our two states had an active summer with ministry to kids and families being the primary focal point for our network of churches. We funded several events and evangelistic outreach events through the SMO grants and funds that support work in communities right here in our state. This was after the NAMB Evangelism grants were depleted and we had to continue to fulfill requests using State Missions Offerings funds. Many churches sought creative ways to reach their communities, and we wanted to help them do that with excellence. This is the first year that requests outpaced funds as it relates to the NAMB Evangelism granting process. This was partly because of the Harvest Crusade that took place last fall in Orem, UT on the campus of UVU, but also because we are doing a better job communicating the granting process to churches and they are taking advantage of this valuable resource opportunity for churches to expand their reach and vision to take the gospel to their communities.

At the SBC Annual Meeting, we learned about a new, free Discipleship Strategy that Lifeway is promoting called Disciples Path. We are still learning about how this resource will be pushed out across the convention, but it is in response to an important statistic discovered during the recent "State of Discipleship" research project by Lifeway Research in 2025 and released earlier this year. Churches who participated in the survey reported that "not having a strategic strategy for discipling and growing new believers into lifelong disciple makers" is one of the greatest struggles of churches of all sizes. Disciples Path is a process that leaders will guide churches through that includes an internal audit of how churches make disciples of their people and offers an intentional

strategy that is both practical and reproducible, custom tailored to meeting that church's discipleship needs.

In the area of church revitalization, we still have a great need for more leaders willing to be trained and then assist churches that are plateaued or declining. In July, Mark Clifton and Jimbo Stewart came to Utah, upon invitation by Salt Lake Baptist Association, and introduced tools that we can use to help struggling churches find hope in the midst of their struggles and seek ways to begin the revitalization process. The emphasis is on helping rural churches of normative sizes see their value to the ministry within their communities and to ask hard questions related to standing traditions that may be hindering growth and community impact. The NAMB Replanting and Revitalization team looks forward to partnering with us to develop specific strategies that will be helpful to our plateaued and declining churches within our two-state convention.

In the area of Next Gen ministry, we had 97 students and leaders participate this summer in Sonfest at Mountain View Baptist Church in Layton, UT. This represented seven churches within our convention who sent students and were exposed to targeted evangelism training they were able to put into practice that weekend. We equipped 80 students with NFC Tap Technology wristbands that contain a simple gospel presentation and an NFC link that took those who tapped the band to a website that continues the conversation started by the students. We know of six students that used the tap technology and reported their stories at Lagoon Amusement Park that Saturday afternoon. One church reported three students made first time professions of faith. We heard from Mississippi Student Pastor John David Fortenberry and worship was led by Paul Samson and John Wiley from north Florida. Next year, student leaders from across Utah and Idaho will gather several times throughout the year both in person and virtually to plan for future Sonfest and other Next Generation training events.

We want to hear from you. If you hear of needs within our states for something related to Discipleship, Evangelism, Church Health, or Revitalization, you may reach out to me or one of our staff so we can follow-up with these church leaders. We are better when more people are listening to the needs within our churches and helping us better connect those churches to solutions. It is a joy to serve the churches of UISBC.

College Ministries Report

Morgan Brendle and Ben Sutton

Summer 2026

What was accomplished

The summer was full of hosting mission teams and having local students serve alongside.

In Idaho a team as students returned from a mission trip, they helped welcome a team of students from Texas to serve with Foundation College Ministry and a Boise church plant. We are seeing connections made during then continue through the summer and now seeing these new connections be plugged into local ministries.

Teams in Utah visited many areas throughout the Salt Lake Valley; the LDS Temple Square to pray for the people and understand their spiritually lost worldview; hiking Ensign Peak to pray for the Salt Lake valley to come to know Jesus, and evangelizing on the campus of the University of Utah. These mission teams have been making some great connections with lots of college students in Salt Lake City!

Collegiate Week

Marking the end of the summer and the beginning of fall, students from Utah and Idaho attended the national collegiate conference in Oklahoma. During collegiate week, students received training in evangelism, discipleship, and missions. At the same time, they got to interact and befriend many people their age from around the country. Often, for the college aged students in our areas, the worship music with thousands of other people is one of their favorite features—they don't get to experience that many believers their age all singing to Jesus!

What is next

Fall semester has begun on all Utah and Idaho campuses. Tabling, outreach, gospel conversations, and community building are all underway and a major part of our daily schedules. A piece of exciting news is that a new ministry is being started at Weber State this fall and we look forward to sharing what God is doing at that campus.

How does this tie into the UISBC mission and vision?

Sharing Christ

From tabling to weekly Bible studies, a variety of connection points are planned, and students are encouraged to use these moments to have gospel conversations. Sharing the gospel on campus remains a top priority and time is invested in student believers to train, disciple, and send them out to their mission field.

Starting Churches and Strengthening Ministries

"I am looking for ways to serve in my church now because of the impact collegiate ministry has had in my life during my college years," paraphrase from a college senior this week. Through connections with different churches and ministries throughout our area, students have the chance to see, serve, and worship with area churches and church plants giving them the vision to pursue being an active member of the local church during and after college.

How can we (Program Committee/Executive Board) help?

- Pray for the new group focusing on Weber State.
- Pray for opportunities for gospel conversations to turn into lives being changed stories.
- Pray for students to be bold in their faith on and off campus.
- Pray for campus and ministry connections points – faculty, meeting spaces, and events.
- Encourage churches not near college campuses to adopt a campus in their region.
- Pray for new work on campuses we are not currently on.

2026 YTD Missions Giving through Utah-Idaho SBC

The chart below shows how missions giving is distributed both locally and across the world. Figures reflect Missions Giving through the UISBC as of July 2026.

	UISBC	International Mission Board	North American Mission Board	Seminaries	SBC Operations*
Cooperative Program	\$313,519	\$39,511	\$17,863	\$17,369	\$3,637
State Missions Offering	\$38,961				
Lottie Moon Offering		\$171,962			
Annie Armstrong Offering			\$90,935		
Global Hunger Relief		\$3,920	\$980		
Total	\$352,481	\$215,393	\$109,778	\$17,369	\$3,637

**SBC Operating Budget & Ethics & Religious Liberty Commission*

Q1-Q3 2026 Performance

Through July 2026, we received \$391,899.23 in Cooperative Program funds from churches, with total receipts at 57.24% of the annual budget, slightly below the expected 58.3% for this point in the year. An annual gift received in June improved the second quarter's outlook and combined with the continued, faithful giving of our churches, has helped giving hold steady through the middle of the year. Looking ahead, we still have an estimated \$292,803.77 remaining to reach the 2026 annual budget, achievable if giving patterns remain consistent with prior years (a couple churches giving their annual gifts at the end of year).

Disaster Relief Report
Russel Hohmann, Director
May 2026 – September 2026

May 2026

- May 8-9 – Feeding, Chainsaw, and Shower Trailer instruction, plus hands-on at Central Valley BC, Meridian, ID.

June 2026

- June 5-6 - Training in Meridian, ID for Chainsaw, Feeding, and Shower Trailer.
- June 8-12 - Summer Disaster Relief Round Table in conjunction with SBC Convention.

July 2026

- July 8 - Treasure Valley Baptist Association team participated in a Multi-Agency Resource Center (MARC) event to provide information for how our teams can help the community recover from the flood that occurred in Nampa, ID. Our team also provided prayers and spiritual guidance to multiple people.
- July 10-20 - Our Treasure Valley Baptist Association team provided mud out assistance for several families.

August 2026

- August 9-15 - Responded to the Cottonwood Fire and flood in Beaver, UT. Salt Lake Baptist Association (SLBA) and Golden Spike Baptist Network accomplished assessment of homes affected and found most of the area had already been served by others. One home was served by our team that had mud and water damage. We removed appliances, flooring, and sheetrock. We were able to share the love and hope we have in Jesus with family members and others in the city.
- August 19-22 - Cathy Keever led a group of volunteers in a booth at the Gooding County Fair. They handed out 1500 waters, 2400 cookies, and so many Bibles they lost track of the count. They also gave out little Jesus figures and gold coins with John 3:16 on them.
- August 22-30 - We received a grant to support the fire and flood damaged homes in the Aspen Acres Fire and flood in Colorado. Five volunteers from Utah and Idaho traveled to Pueblo, CO which was the base for the response in the area. With teams from Colorado and a Skid Steer from California, we did both fire and flood cleanup completing 10 requests for help.

September 2026

- September 5 - Cathy Keever and volunteers hosted a booth at the Twin Falls County Fair. They gave away waters, cookies, and over 120 of Gospel Stories of Jesus and many Bibles.
- September 21-22 - Teresa Farley came to Ogden for some training for the job of Disaster Relief Director which she will take over in October. We sent requests to Send Relief for grants to travel to the January Round Table and sent a request to repair the Idaho Shower Trailer.

Be prepared to help people in crises.

Call me to learn how your church can be prepared and involved with bringing the love and hope of Christ to people in crises.

Legal
Brian Davis, Consultant
2026

Constitution Committee

Legal assisted the Constitution Committee in reviewing and proposing changes to the Credentials Committee and Resolutions Committee. The Constitution Committee started with reviewing and proposing changes to the Credentials Committee. The Constitution Committee met once a month, reviewed the current bylaws, discussed strengths and weaknesses, drafted proposed changes, debated the changes, and finalized the changes. Once the Committee finished making the proposed changes to the Credentials Committee, the Committee turned its attention to the Resolutions Committee and repeated the process. The Constitution Committee was able to complete the changes before the May Executive Board meeting and received helpful feedback from the Administrative Committee. The Constitution Committee reviewed and incorporated the recommendations from the Administrative Committee before the September Executive Board meeting where the final draft was presented and approved by the Executive Board.

Advising Churches

Legal continues to provide legal advice to all churches affiliated with the Convention. Legal helped one church get an exception to the zoning regulations so that the church could rent a commercial building. Legal has been reviewing bylaws and policies and procedures and is slowly getting responses out to churches. Legal assisted one church that has a congregant going through a messy divorce. Legal also advised another church on how to handle a disgruntled church member who will likely be subject to church discipline. Legal reviewed one church's bylaws and provided recommendations and is helping another church rename itself and pass title when the corporate entity never previously existed. Legal prepared the real estate contract and quitclaim deed for the sale of the Fillmore property. Finally, Legal continues to assist with the church in Blanding. Legal met with the trustees in January and discussed next steps for the church. God is moving in Utah and Idaho, and Legal is glad to play a part in His work.

Crisis Care Team

The Crisis Care Team is required to provide an update to the messengers. For the sake of brevity (see, lawyers can be brief!), I'm including the Crisis Care Team update in Legal's update to the messengers. Legal helped assemble the Crisis Care Team in March. During the meeting, Legal went over the purpose of the Team. The Team divvied up terms for each member and requested that Legal prepare policies and procedures for the Team. Legal created policies and procedures for the Crisis Care Team, which were approved by the Executive Board at the Fall meeting.

David Sturgeon will be rolling off the team at the end of this year, and the Executive Board will need to appoint a new member. The recommendation is that the new member be someone from Idaho. If a messenger has a recommendation, please send it to the UISBC office. The Crisis Care Team thanks David Sturgeon for serving on this important team.

IRS Fun

According to the IRS, churches are automatically considered tax exempt organizations, and it is not necessary for churches to apply for a determination letter from the IRS declaring the church tax exempt. Unfortunately, many state and local governments are unaware of this fact and demand that churches provide proof that the church is indeed tax exempt.

To get around this little problem, the UISBC has a group exemption letter that it extends to churches that affiliate with the UISBC. The group exemption letter is similar to a determination letter, and governments will accept it as proof that the church is a tax exempt organization.

The IRS recently published new regulations requiring group exemption holders to exercise oversight over those to whom they extend the group exemption. This oversight is simply sending churches the IRS Publication 1828. For any churches that affiliate with the UISBC going forward, churches and the UISBC must share a common purpose. Legal assisted the staff in preparing a common purpose that would meet the requirements of the IRS and that does not infringe on the autonomy of our affiliate churches. To be clear, new churches are welcome to use our group exemption and may opt in to using it with this shared purpose language. However, if a church does not want to use our group exemption, then the church may choose to not use our group exemption and still be a part of the UISBC.

The IRS is still rolling out advice on its new regulation. Legal and the staff at the UISBC will keep everyone informed.

Reach Idaho
Mike Palmer, Director
August 2026

Reach Idaho began as a partnership emphasis between two associations and by the end of the first year was growing towards what it is today, two years later: A network of Associations and Churches partnering together to expand the Kingdom of God in Idaho.

This summer has been a busy season with mission teams, summer interns, and continually sowing seeds of partnership.

Richard Dugger has spent much of his time in the south working with and meeting state convention leaders, associational leaders, and local churches sharing the compelling need for workers in the harvest. When he is in Idaho, he's commonly traveling with vision teams visiting pastors and churches and touring areas where churches are needed. This fall he will host a Reach Idaho booth at the Florida Baptist Convention and Mississippi Baptist Convention.

Mike, Tyler Baker, and Faith Durham have also hosted vision teams and families who are sensing God's call to plant churches in Idaho.

As we work to build a partnership base we point them towards three things: Church Planting, Church Strengthening, and raising up Next Generation Leaders.

The fruit of past vision trips was seen this summer as new partners served in churches and communities all over Idaho. Teams assisted or conducted community outreach efforts, VBS, Kids camps in parks, construction projects, and revival teams.

Summer interns (college students) served well in Idaho churches this summer and we already have applications for interns next summer.

This summer there have been two families visit Idaho considering church planting and one confirmed church planter who will soon begin the process of assessment process with NAMB.

Unfortunately, fund raising is also a part of what must be done. Idaho churches have contributed to Reach Idaho as has one Idaho Association. Richard Dugger serves full-time and of course the cost of hosting and traveling with teams adds up. Thankfully the Lord has provided. We currently have enough funds to continue with Richard through November. That sounds scary, but Richard has stepped out in faith and God has continued to provide for all the necessities for Reach Idaho. We have visions for more and trust in time that the Lord will provide.

Moving forward we will continue to focus on the "hard places", the counties where less than 1% of the population have a relationship with Jesus Christ. In early September Mike and Richard will be with a group of Georgia Baptist pastors and state convention staff praying in Teton County. They anticipate adopting Teton County and working together to plant a church there.

We also expect to be announcing some new ministry partnerships that include education opportunities and ministry with pastors' wives.

When asked, we tell all our partners that we need what every missionary or missionary organization needs: people who will pray, give, and go.

Women's Missions and Ministries Report
Mary McFarling, Women's Network Director
2026

"For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ." 1 Corinthians 12:12

First Corinthians 12 teaches us that God's plan is to join His people together as one body, giving different gifts and roles to each of us so that we can best serve and glorify Him.

"But as it is, God arranged the members in the body, each one of them, as He chose. If all were a single member, where would the body be? As it is, there are many parts, yet one body." 1 Corinthians 12: 18-20

We are seeing this carried out in the Women's Missions and Ministries Network through regional gatherings, ministry wives' encouragement and women's missions training, as women across our two states are connecting and ministering in their giftedness to strengthen and encourage each other to serve where and how God has called them.

Two regional events took place in the spring, and two in the fall, providing opportunities for women in four different areas to come together to worship, learn, and be strengthened as members of the body of Christ in the Utah-Idaho Southern Baptist Convention.

The Treasure Valley Southern Baptist Association held their tenth annual women's retreat in April in Cascade, Idaho. Women from churches throughout the association and surrounding areas, attended and learned from Bible teacher, Janis Jelke as she spoke on "A Heart for God" based on Ezekiel 34:26. Janis, formerly a member of Calvary Baptist Church in Idaho Falls, came from South Carolina where she works for the Billy Graham Association. She also led a breakout session on witnessing to members of the LDS faith. The UISBC Women's Network assisted with funding and provided a breakout session.

On May 15-17, women from across the Eastern Idaho and Magic Valley Baptist Associations gathered at Living Waters Ranch in Challis, Idaho for the third year of the Eastern Idaho Women's Retreat hosted by Salmon Valley Baptist Church in partnership with the Eastern Idaho Baptist Association and the UISBC Women's Network. Hallie Uskoski from Caribou Bible Church in Soda Springs, Idaho led "Lessons from the Book of Ruth". Women from several churches were involved in planning, preparing, and in leading worship and activities. Women from eight churches attended the retreat.

"Words Matter" was the theme of the Women's Conference hosted September 18-19th by Mountain View Baptist Church in Layton, Utah, in partnership with UISBC Women's Network. Cheryl Marshall, author of "When Words Matter Most" led the conference. More than 100 women from 22 churches throughout the area participated. It is our desire for this annual conference to continue to grow and become a key regional event for women in our churches throughout the Salt Lake Valley.

On October 10th, First Baptist Church in Washington, Utah hosted a women's retreat "Finding Joy in My Brokenness". Where women considered how God brings joy and beauty even in brokenness

and how to share His love with others. This annual event is an opportunity for women in southern Utah to gather in their region for fellowship, learning, and encouragement.

Ministry Wives gathered August 28-29 at Redemption Church Ogden. We are grateful for Sarah Rogers from Greenville, South Carolina and her team -- Jamie Davis and Staci Kerns, both of whom have previously lived and served in Utah, and Annie Reid -- who volunteered their time and came at their own expense to encourage our pastors' wives. Women from across the Salt Lake Valley, central Utah, Boise, Idaho, and southeast Idaho attended.

The annual Women's Conference, October 22 at Canyons Church in Salt Lake City, Utah featured guest speaker Ali Everett from Beaverton, Oregon. The theme for the conference, "Lift Your Eyes" included breakout sessions to encourage women to grow in faith and share their faith with others and included sessions especially for pastors' wives and Hispanic women.

In January, Tiffany Davis and I attended the Woman's Missionary Union Board meeting and training conference in Birmingham, Alabama, where we heard reports from Southern Baptist missionaries and agencies and attended conferences designed to help us grow as disciples who live on mission and help others do the same. I have also attended Zoom meetings with women's leaders from Lifeway Christian Resources and the Women's Evangelism Department of the North American Mission Board. In March, I was asked to share about evangelism in Utah and Idaho in the quarterly Women's Evangelism online meeting, where I shared some of the unique challenges and successes of evangelism in our area and encouraged others to join us in our mission to reach one of the most lost areas of our country.

UISBC Women's Missions and Ministries Network

Our vision is to be women, ALIVE in Christ, giving fully of ourselves
for the advancement of God's Kingdom.

Our goal is to inspire and encourage all women to be engaged in prayer, discipleship,
evangelism, and missions in their homes, churches, communities, and world.
